Drivers learn to respond safely to typical driving risks, gaining confidence and skill. Bring a lunch! A refrigerator and microwave are on site.

## COVID-19 SAFETY PROTOCOLS AT MONTANA DRIVE – PLEASE READ

### To all drivers attending a 2022 Montana DRIVE Summer Workshop:

Last summer, we were able to offer our Montana DRIVE Workshops because the protocols we followed created a safe and healthy environment for our drivers and instructors. Your safety is of utmost importance to us and we will continue the practices we began in 2020. Classroom and vehicle surfaces will be cleaned and disinfected throughout the day and instructors will arrange the workshop schedule to enable social distancing.

To safeguard the health of our instructors and drivers, we ask that you acknowledge and follow these safety protocols:

- Now that COVID testing kits are becoming more available, we encourage all drivers to ensure to the best of their ability that they are not COVID-positive prior to and on the workshop date.
- We will encourage the wearing of face masks (over the nose and mouth) and, depending on the number of active cases, may require all drivers and instructors to wear a mask when in the confines of a vehicle. Face masks will be provided, if needed.
- Regular breaks will be offered for hand washing and sanitizing.
- Hand sanitizer will be available in the classroom and in all vehicles.
- If you feel sick or have a fever, we ask that you please stay home and get well. We will be glad to reschedule your workshop for a later time, substitute another driver, or refund the paid fee.
- Full refunds will be offered for workshops that are cancelled ahead of time. We appreciate being notified as far in advance of the cancelled workshop date as possible.
- We will NOT refund no-shows. You must contact us if you are not able to attend the workshop.

Please call the OPI's Traffic Education Office at (406) 444-4432 or email [montanadrive@mt.gov](mailto:montanadrive@mt.gov) with any notifications, questions, or requests for assistance.
