

Attention educators needing to fulfill Educator Licensure requirements.

Due to the temporary closure of the Learning Hub, The Introduction to Indian Education for All course will be offered as a live webinar until the new Hub platform is up and running.

This webinar provides educators with the foundational knowledge and practical strategies necessary to integrate Indian Education for All (IEFA) into their classrooms, fulfilling specific state licensure requirements.

Webinar Schedule:

The course will be offered as a series of repeated webinars. Each session is two hours long, and you must attend one to fulfill Educator Licensure Requirements.

Dates: September 9, 11, 16, 18, 23

Time: 4:00 PM – 6:00 PM (MST)

Successful completion of this course will provide you with a basic foundation for how Indian Education for All (IEFA) came to be and why it is important. IEFA is an integral component in ongoing efforts to provide all students with a high-quality education. IEFA offers students an opportunity to meet academic standards in multiple content areas and grade levels as they learn about the distinct and unique cultures and heritages of American Indians.

Key Topics Covered:

Foundations of Indian Education for All (IEFA)
Essential Understandings Regarding Montana American Indians
Integrating Native American content across subject areas
Accessing and utilizing accurate resources
