

School Leadership Support Office Hours Summary September 11, 2024

Presenters:

Dr. Julie Murgel, Chief Program Officer
Christy Mock Stutz, Assistant Superintendent
Anna Hoerner, Project Coordinator

The following items were discussed during the school leadership support office hours on September 11, 2024.

- **Montana Aligned to Standards Through-Year (MAST):** The first MAST testing window for this school year is approaching.
- **Accreditation:**
- **Data Modernization:**
- **CGSA & Literacy Grant Award:** Information was given on the two federal grants OPI was recently awarded
 - OPI was awarded \$49,998,977 over the next five years for the competitive [Comprehensive Literacy State Development](#) (CLSD) Grant.
 - OPI was also awarded the [2024 Competitive Grant for State Assessments](#) (CGSA). Montana received \$3,999,974 to implement the Montana Aligned to Standards Through-Year (MAST) Science assessment for students in grades 6-8. The 2024 CGSA will fund a new four-year initiative titled: Scaling MAST Assessment to Middle School Science.
- **September Compass:** Can be found [HERE](#).

Next meeting on Wednesday, September 18, 2024
