OPI Bill Draft Request – 2025 Legislature

Ensure that meetings and records of education membership organizations and associations are open to public. Draft amendment language could be as follows:

Section 1. Meetings and records of education membership organizations and associations to be open to public. All meetings and records of an education membership organization or association composed of public or governmental bodies, supported in whole or in part by public funds or expending public funds, must be open to the public to the same extent as the meetings and records of the member public or governmental bodies.

Section 2. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 20, chapter 1, part 2.
