

RECOMMENDATION FOR OFFICE OF PUBLIC INSTRUCTION CAREER COACHES

1. Expand funding to support career coaches in 11 WIOA regions across the State
2. Hire coaches by the beginning of April so they can receive training, develop partnerships, help recruit students, businesses and industries in each region
3. Continue and expand working with schools, parents, counselors, students, businesses and industries to have students sign up for MT Ready by fall semester
4. Continue to collect data. Everything including and not limited to:
 - a. Number of students coached
 - b. Number of students registered for WBL
 - c. What CTE program or class they're wanting for credit(s)
 - d. How many credits, half-credits, etc.
 - e. How many are aligned or participating in a CTSO
 - f. What and how many businesses and industries are participating
5. Expand contacts with all participating districts and students throughout next school year
6. Expand partnership and continue to work collectively with the DLI Business and Education Engagement team and Apprenticeship program
7. Continue to work collaboratively with OCHE and 2-year colleges
8. Expand partnership and continue to work collaboratively with private sector businesses and associations and other partners
