## Transformational Learning District Reported Uses

<b>Funded District</b>	<b>Summary of Funding Uses</b>
Arlee Elementary	Design of personalized writing curriculum and professional development to support it
Arlee HS	100% of teachers completed the Learning Hub course "More than Making the Grade", Marzano PD book club participation
Belgrade Elementary	Flexible seating, standards-based learning professional development and supplies, professional learning communities, social/emotional curriculum
Belgrade HS	Prostart and construction courses, standards-based learning professional development, professional learning communities
Belt Elementary	Self-paced reading program for dyslexic students, professional development for teachers to use high-leverage reading strategies
Belt HS	Online, honors and AP courses
Bozeman Elementary	Bridger Charter School foreign language course evaluated on proficiency
Bozeman HS	Bridger Charter School proficiency-based courses
East Helena K-12	PD for standards-based grading at Radley Elementary, instructional coaching to move from traditional to transformative teaching practices, site visits of other schools implementing transformational learning practices, awarding of credits for off-site student experiences and learning, credit earning for accelerated students and at-risk students, MTDA courses
Eldergrove K-8	Building Bridges program to train staff in proficiency scales, purchase Chromebooks for 1-to-1 student-to-Chromebook ratio, Bridges math intervention program
Fairfield Elementary	Response to Intervention program, afterschool tutoring program, flexible scheduling, ALICE & safe schools training, grab & go breakfast, standards-based grading, community learning-based opportunities

Fairfield HS	Professional learning communities, afterschool program, distance learning, MTDA courses, Ingenuity for credit recovery, alternative diplomas, flexible scheduling of courses, ALICE & safe schools training, standards based, community learning-based opportunities
Fromberg K-12	Work-study courses for credit, online courses through MTDA, student-choice independent learning courses in Ag, music, art, and CSP.
Frontier Elementary	Student-driven play production performed for community
Helena Flats K-8	1-to-1 chromebooks to student ratio with replacement cycle, 3D printers with training, Spheros and other robotic curriculums, standards-based grading training and technical support
Joliet Elementary	APEX learning, Transformational Learning Committee with community stakeholder involvement to provide community learning opportunities, individualized K-5 math program, personalized ELA centers
Joliet HS	1-to-1 Chromebooks, virtual reality headsets for science department, digital arts technology, online monitoring devices, APEX learning to provide personalized courses of student interest, workstudy partnerships
Libby K-12	MTSS tier 3 intervention program, use of Branching Minds program to store and evaluate student intervention data, professional development for behavior and academic growth, Whole-Child Skill Development program administered to students grades K-12, 58 students enrolled in welding course working towards earning certification
Lockwood K-12	Professional development for flexible learning spaces, student-centered displays, focus on student-growth and student-choice learning options, board-approved student-led service-learning projects, personalized learning communities to meet the needs of each student, professional development on Building Bridges program for standards-based learning
Noxon HS	1-to-1 student-to-Chromebook ratio, student-choice advanced art courses, CTE self-paced courses
Plentywood K-12	Welding equipment, personalized music and equipment, MTDA courses, flexible seating equipment, FCS student-choice supplies, lab/computer supplies for individualized learning
Reed Point Elementary	Acceleration of student learning, curriculum enhanced with online personalized learning opportunities
Reed Point HS	Acceleration of student learning, certificate programs of students' choice, curriculum enhanced with online personalized learning opportunities
St. Regis K-12	Dual enrollment, MTDA, Flexible-Friday course offerings and instructional support, personalized scheduling for students, Xello program for personalized career interests and course offerings, computer gaming and design opportunities through

	University of Montana, Flash Lightening program for personalized PD and track transformational learning implementation

### Advanced Opportunities District Reported Uses

District Name	Summary of Advanced Opportunities
Alberton K-12	MT Digital Academy Courses, work-based learning opportunities, exam fees, STEM/CTE personalized outdoor programs
Arlee Elementary	Job shadowing, job-related (welding) certifications, offer mini-courses during lunch and after school.
Arlee High School	Job shadowing, job-related (welding) certifications, offer mini-courses during lunch and after school.
Belgrade Elementary Schools	Student career interests, increase club and organization participation
Belgrade High School	Advanced placement exams, student/club organization participation, mentorship and internships for students,
Choteau Elementary	Generate excitement for high school CTE programs and high school mentors
Choteau HS	Work-based experiences in the community, dual enrollment and AP courses, expand CTE courses, build business/education partnerships and mentorships, book study with local schools
Conrad High School	Trades Academy, plumbing, dental, electric, pharmaceutical, construction, and drone certifications
Custer County High School	Career pathway opportunities and partnerships, dual enrollment, First Aid, CNA, Odyssey, ServSafe, OSHA, ACT/SAT prep and assessments
Darby K-12	Partnerships with Bitterroot Community College, Jobs for Montana Graduates and dual enrollment, STEAM program (coding & computer drafting)

<b>East Helena K-12</b>	Dual enrollment through Helena College of Technology, College Board of Advanced Placement program,
<b>Fairfield Elementary School</b>	7-year plan to senior portfolios, learner outcomes for growing opportunities, cover work comp and liabilities for student and business partners, build education/industry partnerships
<b>Fairfield High School</b>	7-year plan to senior portfolios, CTE concentrator for applicable graduation diplomas, school-to-work apprenticeships, learner outcomes for growing opportunities, cover work comp and liabilities for student and business partners, build education/industry partnerships, increase dual enrollment and online opportunities
<b>Glendive Elementary</b>	STEAM exhibition nights, career exploration programs,
<b>Dawson County High School</b>	Dual enrollment, CTE credentialing, health professions pathways, HOSA group
<b>Grass Range Elementary School</b>	Experiential and hands on learning opportunities outside the classroom and in the community
<b>Grass Range High School</b>	Distance delivery courses, college tours
<b>Great Falls High Schools</b>	IT Program, internships and pre-apprenticeships, experiential learning opportunities, dual enrollment, PPE and materials for students involved in CTE and career pathways, state and national CTE conferences for teachers, career pathway certifications (welding, nursing, computers, automotive), workforce development program
<b>Hamilton K-12</b>	90 student internships in a variety of areas through community partnerships, dental, hospital and veterinary job shadowing opportunities, hosting Trades Skills Fair in March for all Bitterroot Valley students, address local employment needs and student skills through surveys.
<b>Havre Elementary</b>	Looking to expand programs and opportunities to 6-8 grades in Fall 2022
<b>Havre High Schools</b>	Work-based learning program, expand dual-enrollment offerings, expand CTE curriculum and credentialing, Teachers of Promise Pathway
<b>Helena High Schools</b>	Advanced placement exams, dual enrollment textbooks, reduce CTE course fees, student organization memberships, update career guidance tools and resources for students, welding, accounting nursing, and carpentry enhancements.

<b>Hot Springs K-12</b>	MT Digital Academy Courses, welding certifications, CNA certifications
<b>Lewistown Elementary Schools</b>	Job-shadowing, career exploration and awareness
<b>Fergus County High School</b>	Increased dual credit courses, job-shadowing and internship opportunities, Construction Academy, EMT Course, AP exam fees
<b>Livingston Elementary</b>	Work-based learning workshops, STEAM activities
<b>Park High School</b>	Dual enrollment, advanced placement and early college opportunities, CTE personalization, work-based learning opportunities, stackable credentialing
<b>Reed Point High School</b>	College credits, CTE programs focused on career/college readiness, funding for STOs, Vet Tech certifications, interest inventories
<b>St. Ignatius K-12</b>	Iron Worker program, materials, training
<b>St. Regis K-12</b>	Xello program for career exploration, alumni and community members mentorship program for students entering the workforce
<b>Superior K-12</b>	Millwright apprenticeship, AWS welding certifications, MT Department of Labor OSHA certifications, School-to-work program

## Transformational Learning Grant Annual Report 2023

As a participating school district that has received funding through the Transformational Learning Grant (Senate Bill 8), the completion and submission of this annual report is required to demonstrate continued qualification for funding. The completed document is submitted on the [OPI Transformational Learning Webpage](#).

The window for submission of this annual report opens Monday, December 4, 2023 at 8am MST. The annual report is due by Monday, January 8, 2024 at 5pm MST. Wait list position for any increase in FTE will be determined by a lottery system, conducted through a neutral 3rd party. This is competitive with new district applicants.
