DAILY ACCESS CODES

Daily Access Codes (DACs) are alphanumeric values generated in Educator Portal that, along with student login usernames and passwords, allow students access to testlets.

The DAC PDF contains information on the date and times the DACs are usable, the subject and grade, and the access code for each of the test session. DACs are available for the current testing day and next testing day after 2:30 PM. Monday's Daily Access Codes will be available Sunday at 2:30 PM.
