2023 Scholarship Application

Two \$1,000 Scholarships are available for Montana students—high school seniors or students who are attending an accredited post-secondary institution in Montana may apply.

Eligibility requirements:

- Must be a US citizen with Montana residency
- Minimum grade point average of 3.0
- Enrollment or plans to enroll in a course of study that allows students to explore natural resource issues. Appropriate courses of study include agriculture, agribusiness, animal science, range science, forestry, environmental science, land resource science, plant science, etc.

Students may receive a scholarship both as a high school senior and once during post-secondary career.

Click [here](#) to apply online, or go to our website [Scholarships | Montana Association of Conservation Districts](#) to apply.

The application must include the following:

- A letter of recommendation from an instructor familiar with your work
- Your unofficial transcript listing courses taken and grades received
- Résumé
- An original 300-500 word essay describing how your education and experiences have given you the opportunity to explore natural resource conservation, and how you plan to impact natural resource conservation in the future. List how your leadership, school and community activities will influence your career goals.
- Acceptance letter to an accredited college (if appropriate)

Deadline: April 14, 2023.
