MINIMUM TRAINING REQUIREMENTS FOR
Entry-Level Commercial Motor Vehicle Operators
Entry-Level Driver Training (ELDT) Final Rule

- Published in 2016, mandated by MAP-21
- Set a Federal standard for mandatory training of entry-level drivers
  - Establishes minimum training requirements entry-level drivers and training providers must meet
  - States may have requirements that exceed Federal requirements
- Compliance Date: February 7, 2022
- Established the need for the Training Provider Registry (TPR)
Entry-Level Drivers – Who Is Covered?

The ELDT regulations establish new minimum training standards for entry-level drivers. This includes individuals applying for:

- A Class A or Class B commercial driver’s license (CDL) for the first time
- An upgrade of an existing Class B CDL to a Class A CDL
- A hazardous materials (H), passenger (P), or school bus (S) endorsement for the first time

The rule does not cover individuals for whom States have waived the CDL skills test under 49 CFR 383.
Driver Requirements

• Entry-level drivers must complete the applicable training from a registered training provider.
  • Must be completed prior to taking a CDL skills test or, if applying for the H endorsement, knowledge test.
  • Individuals who obtain a commercial learner’s permit (CLP) on or after February 7, 2022 will be required to meet the ELDT requirements.
  • Individuals who obtain a CLP before February 7, 2022 are not subject to the new ELDT regulations for obtaining a CDL, so long as they obtain a CDL or endorsement before their CLP (or renewed CLP) expires.
### Training Requirements

- Entry-level drivers must receive training and demonstrate proficiency in the following areas:

Training Provider Registry

• How do training providers register?
  • Visit [https://tpr.fmcsa.dot.gov/Provider](https://tpr.fmcsa.dot.gov/Provider)
  • Three steps to register:

  1. Create a Login.gov Account
     Training providers will create, or use an existing, login.gov username (email address) and password to access the Training Provider Registry. Learn more about login.gov.
  2. Register as a Training Provider
     Select one person to register the training provider with FMCSA. Once approved, this user may invite other individuals to register and work in the Registry on behalf of the training provider.
  3. Register Training Locations
     Once FMCSA approves the company’s registration request, providers can log in to register training locations. Providers with multiple locations will need to register each location.

• Self-certification of meeting ELDT requirements occurs during location registration
• For more help, download the Training Provider Registration Guide
Training Provider Registry

• How will training providers submit driver data?
  • Beginning February 7, 2022, registered training provider users will log in to the Training Provider Registry and start the process to enter driver training certification information
  • Optional: Transfer via TPR Web Service
    • Transfer large amounts of data at one time
    • Must have own IT system
