

**Office hours for Superintendents and School Leaders  
December 4, 2024  
10:00 a.m.**

- I. December OPI Compass Highlights
  - I. Keep an eye on AIM due dates- end of December is the next due date for fall CTE count
  - II. ESSER- Final Expenditure Report due December 10, 2024
  - III. AI (Artificial Intelligence) Learning Cohort starting in January.
  
- II. MAST
  - I. First window review- how did it go?
    - i. Supt's indicated the technology worked well, would like a direct KITE-Infinite Campus connection for a parent portal access
    - ii. Absenteeism concerns. OPI's School Support unit is working on enhanced student engagement strategies to share with schools.
    - iii. Mental health concerns
    - iv. Upcoming window, and planning for the next testlet administration schedule
  
- III. Accreditation System – newly opened!
  - I. Accounts and dashboards are available for schools
  - II. Upcoming professional development available for the accreditation process: Keep an eye on the accreditation page: <https://opi.mt.gov/Leadership/Assessment-Accountability/School-Accreditation>
  
- IV. Data Modernization
  - I. All the data is flowing, and we are hosting consultant sessions to finalize the dashboard and rolling out to schools as soon as possible.
  - II. Data modernization is multi-faceted throughout the OPI. We are working to consolidate all the systems across the agency to reduce redundancy and effort across all aspects of school data.
