

## School Leadership Support Office Hours Summary

February 14, 2024

**MAST Overview** with Dr. Julie Murgel, Chief Program Officer

- All schools are invited to attend the virtual MAST Summit on **February 27, 2024** to learn more about the through-year MAST assessment.
- Register [here](#).
- For more information on the MAST through-year assessment, [go to OPI's webpage](#).

### Content Standards Updates

- The OPI is currently working on updating the World Language and Math Content Standards. Economic Impact Surveys will be released soon for both of these content areas. English language Arts is getting underway in the revision process and recently closed the application for the ELA task force. Find updated information on [OPI's website](#).
- The Board of Public Education is currently holding public comment for the following standards:
  - Early Literacy Targeted Intervention Standards, ARM Title 10, Chapter 54
  - English Language Proficiency Content Standards, ARM Title 10, Chapter 53
  - Educator Licensure Standards, ARM Title 10, Chapter 57
  - Early Childhood Education Standards, ARM Title 10, Chapter 63
  - [You may review any of the proposed rules on the BPE's website](#)

### Next meeting topics:

- New accreditation system
- MAST
- Questions
