Questions

- For the Comprehensive Needs Assessment (CNA), there were a few questions about updates for future administrations of the CNA:
 - Will it be possible to have the same computer submit the CNA- it seems to track the IP address and not allow another user to submit.
 - The options to do help with this is to clear the cache or try a new browser.
- How quickly are the CNA results ready?
 - The team is working diligently to send results in a timely manner. If it takes longer than a week, please email OPIACCRED@mt.gov
- For the accreditation platform, is it possible to upload data information from local data resources such as testing platforms, etc?
 - Yes, the accreditation platform will be able to accept attachments as part of the responses.
