

**School Leadership Support Office Hours Summary
March 20, 2024**

New! Digital survey available for families with students with disabilities- with Patrick Cates, Senior Manager Student Support Services

- The survey went to districts to send to their families for completion by the end of the year.
- Previously, this survey was paper and pencil, now it is presented in a digital format.
- All families of students with disabilities may to complete the survey, rather than a sampling of families each year.

Accountability- with Carrie Kouba, Innovation and Improvement Senior Manager

- School Report Cards will be issued soon. Districts will receive an embargoed copy before public release of the report card.
- Schools will receive a letter stating their accountability status in early April.

Questions:

- For the accreditation platform, is it possible to have a reminder notice that schools need to go back in and submit information for each school? *We'll share this request.*
- Regarding out-of-district attendance, what can schools put in their policies as far as limiting students? Patrick Cates will follow up at our April 3rd meeting with more specific answers.

Topics for next meeting (note: no meeting on March 27th- see you on April 3!
