Maintenance Notice

FFAVORS is scheduled for maintenance every Sunday from 4:00 PM through 2:00 AM Central Time. The site may be unavailable for periods during this maintenance time.

IDs and Passwords

For access to FFAVORS, your current Department of Defense (DoD) Account Manager, DoD Field Representative, and/or DoD Contracting Specialist must establish a user profile for each new user within FFAVORS.

Without the profile in FFAVORS, the user will not gain access to the application. For those that have an eAuthentication ID, the user profile must still be created in FFAVORS before accessing the site.

If you have problems accessing FFAVORS or do not know your current DoD Account Manager, DoD Field Representative, and/or DoD Contracting Specialist, please contact the FFAVORS help desk.

Receipting Requirement

General Information

• ‘Receipts’ refer to confirmation of items received entered by the customer after delivery.
• These are not bills to be paid by the customer.
• Accurate receipts ensure that program funds are drawn down based on what is actually received.
Receipting Requirement

Timeline for Receipting

• Receipts become available to be entered on the order’s requested delivery date (RDD). If a delivery arrives early, the customer will need to wait until the RDD.

• Receipts should be entered within seven (7) calendar days of the RDD.

• Processed or not, all receipts remain on the ‘Edit Receipts’ list for a full seven (7) calendar days after the RDD. Receipts may be updated multiple times as needed during this time.
Receipting Requirement

Past Due Receipts

• Receipts are considered past due if they have not been entered in FFAVORS by the end of the 7th day after the scheduled RDD.

• When there are past due receipts, no orders can be placed by (or on behalf of) the customer. The order block is removed after these receipts are entered.

• State users can view all past due receipts for customers within the state via the Past Due Receipts link in the ‘Orders’ menu.

• Contact the DLA Account Specialist with any questions about receipting or problems with past due receipts.
Receipting Requirement

When there are past due receipts on the customer account, a warning is displayed on the Customer Homepage. No new orders can be created until the past due receipts are processed.
From the Customer Homepage, select the **Edit Receipts** link under the ‘Orders’ menu.

From within the FFAVORS ordering process, select the **Edit Receipts** link on the green menu on the left.
Edit Receipts

All editable receipts for the customer are displayed, which include:

- Receipts that have not been entered and are greater than 7 days past RDD
- All receipts within 7 days of RDD
The ‘Calendar Days Past RDD’ column displays the number of days since the RDD selected at the time the order was placed. This may not be the same as the actual delivery date.

When the 7th day has passed, the ‘Past Due’ label is displayed.
Edit Receipts

ALL receipts will remain editable until the 7th day has passed.

To confirm that a receipt has been entered, check the ‘Receipt Dt’ and ‘Receipted By’ columns. These will contain the date of the last edit and the user who completed the transaction. If these are blank, the receipt has not yet been entered.
