

SY 2022-2023 Continuing Education Calendar is now available. Please register to attend an OPI School Nutrition Fall Workshop in September.

Please join us for in-person workshops this Fall!

We will hold workshops in Miles City, Great Falls, Bozeman, and Missoula with the morning session for Admins and the afternoon session for Food Service Directors. Additionally, there will be two virtual sessions (August 31st and September 29th).

Please register for the session that aligns with your duties or register for both sessions if you will attend the entire day. Please register all attendees if multiple people from one school plan on attending.

The morning session will cover Free/Reduced Benefits Process, Administrative Requirements, Resource Management, and other topics. The afternoon session will cover Meal Patterns, Professional Standards, Administrative Review, and other topics.
