SUBJECT: Paid Lunch Equity: Guidance for School Year 2022-23

Under Section 752, of Division A of the Appropriations Act, for SY 2022-2023, only an SFA that had a negative balance in the nonprofit school food service account as of December 31, 2021, shall be required to establish a price for paid lunches served through the National School Lunch Program (NSLP) in accordance with section 12(p) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1760(p)).

Consistent with the terms of the Appropriations Act, this memorandum provides notice that any SFA with a positive or zero balance in its nonprofit school food service account as of December 31, 2021, is exempt from PLE pricing requirements found at 7 CFR 210.14(e) for school year (SY) 2022-23.

The Appropriations Act affects one school year only. The State agency maintains financial documentation for each SFA implementing the exemption that had a positive or zero balance in the nonprofit school food service account as of December 31, 2021.

SFAs still maintain the discretion to complete the steps necessary to determine their target SY 2022-23 paid lunch price, consistent with Program regulations at 7 CFR 210.14(e), and adjust their paid meal prices accordingly. The SY 2022-23 PLE tool and instructions [may be found here.](#)
