

# MORE THAN A MEAL

Filling Out the School Meal Application May Help Provide:

Money for Groceries Through Summer EBT

Before and After School Academic & Enrichment Programs

Guidance & College Counselors

Free or Reduced-Price Meals for Students at Our School

Health & Wellness Services

Fee Waivers for College Applications & Admissions Tests

Resources for Classrooms, Teachers & Children

**We strongly encourage all parents/guardians to submit a Meal Application if you have not already done so for the year and your children are not directly certified for the school**

You only need to complete one meal application for all children in the same household per district. If you have children split across districts, you must fill out one application per district.

Contact your school about how to fill out a meal application for your district.

You will receive a notice via email or mail as to whether your child is approved to receive free or reduced-price meals.

**Your Application Counts – Submit Yours Today!**
