### Targets: Description of Stakeholder Input

The Special Education Advisory Panel (SEAP) in Montana has been in existence since 2013. The SEAP is made up of 17 members, nine of whom are parents of students with disabilities. The panel is fully vested and broadly representative of Montana. Many of the panel members serve in other agency or organization leadership positions or on advisory councils as the voice of students with disabilities. This enables the SEA to draw insight and advice from a diverse group of stakeholders with an understanding of Montana's unique needs and strengths.

In the 2023/2024 school year, the SEA asked for input on Indicators 8 and 14 from the SEAP, the Special Education Directors, Educational Advocates, and the Weekly Superintendent's Hour. The SEA presented information on Indicator 8 regarding moving from a paper and pencil, sample, 23 question survey to an electronic, census, 10 question survey. All four entities agreed with the SEA's proposal.

The SEA asked the SEAP and Special Education Directors to weigh in on Indicator 14. The SEA proposed changing two questions and set new targets. Based on the information provided from stakeholders, the SEA did change the two questions and set new targets for Indicator 14.

In the spring of every school year, the SEA brings together parents, Montana's Parent Training and Information center the Montana Empowerment Center (MEC), the SEAP, and other state agencies for a joint stakeholder meeting. During this meeting the SEA reviews the APR submitted in February. The SEA asks for suggestions on how to potentially improve the outcomes of the indicators along with doing a data drill down of the state data and

district level data.

In addition to the above-mentioned stakeholders, the SEA worked with many other stakeholder groups that support students with disabilities. Those groups include but are not limited to:  
 Montana Council for Exceptional Children (MCEC) – presented on updates at the SEA, national level, and writing compliant special education paperwork  
 Vocational Rehabilitation and Blind Services – strengthening our secondary transition  
 Education Advocates – presented Indicator 8 changes & new monitoring process  
 Summer Institute  
 Montana Council of Administrators of Special Education (MCASE)  
 Higher Education Consortium (HEC)  
 Great Divide Special Education Cooperative board meeting  
 Dawson Community College – assisting in setting up the ParaPathways Program  
 Weekly Superintendent’s Hour – Indicator 8  
 CSPD Regional Directors  
 Montana Empowerment Center – IEP Boot Camps  
 Disability Rights Montana  
 University of Montana – Mental Health Professional Development Grant for the Rural and Indigenous School-based Mental Health and Empowerment (RAISE) initiative
