ANNUAL NOTIFICATION OF RIGHTS REGARDING MEDICAID BILLING

You previously gave your consent to the school district listed above to bill Medicaid for covered health-related services in your child's Individualized Education Program (IEP) and to release information to the school district's Medicaid Billing Agent for that purpose. It is important to know that granting this permission to bill Medicaid does not reduce your ability to seek other Medicaid reimbursable services outside of the school setting. Medicaid does not have a maximum number of eligible visits for services to children nor does Medicaid have a lifetime maximum for services. This approval to bill Medicaid will not interfere with your access to other health care services that are reimbursable by Medicaid. It is important to understand that:

- This consent will not impact my child's/my Medicaid coverage;
- Upon request, I may receive copies of records disclosed pursuant to this authorization;
- Services listed in the IEP must be provided at no cost to me;
- I have the right to withdraw consent at any time;
- Services listed in my child's IEP must be provided whether or not I give consent to bill Medicaid; and
- The school district must give me annual written notification of my rights regarding this consent.

As a parent of a child with a disability you have certain protections under the Procedural Safeguards of the Individuals with Disabilities Education Act (IDEA). You may obtain a copy of the pamphlet "[Procedural Safeguards in Special Education](#)" by clicking the link, or by requesting a copy from the school district.

For assistance in understanding the provisions of the Individuals with Disabilities Education Act (IDEA) you may contact your child's school, the Office of Public Instruction at (406) 444-5661, or the Montana Parent Information & Training Center at 1-877-870-1190.
