

# Settings of Service for ages 5 and in Kindergarten thru 21

Code	Name	Short Description	Full Description
1	<b>Regular Class</b>	Inside the regular class 80% or more of the day	Students who spend 80% or more of the school day inside the regular classroom (outside the regular classroom less than 21% of the day). <b>Examples:</b> regular class with special education/related services provided within regular classes; regular class with special education/related services provided outside regular classes; or regular class with special education services provided in resource room.
2	<b>Part-time Special Education</b>	Inside the regular class between 40% and 79% of the day	Students who spend no more than 79% and no less than 40% of the school day inside the regular classroom (outside the regular classroom for at least 21% but no more than 60% of the day). <b>Examples:</b> resource room with special education/related services provided within the resource room; or resource room with part-time instruction in a regular class. <u>Do not include students who are reported as receiving education programs in public or private separate day schools or residential facilities.</u>
3	<b>Full-time Special Education</b>	Inside the regular class less than 40% of the day	Students who spend less than 40% of the school day inside the regular classroom (outside the regular classroom for more than 60% of the day). <b>Examples:</b> self-contained special classroom with part-time instruction in a regular class; or self-contained special classroom with full-time special education instruction on a regular school campus. <u>Do not include students who are reported as receiving education programs in public or private separate day schools or residential facilities.</u>

21	<b>Separate Day School (public/private)</b>	Separate day school	Students who receive education programs in public or private separate day school facilities. This includes students with disabilities receiving special education and related services, at public expense, for greater than 50% of the school day in public or private separate day schools. <b>Examples:</b> public and private day schools; public and private day schools for a portion of the school day (greater than 50%) and in regular school buildings for the remainder of the school day; or public and private residential facilities <u>if</u> the student <u>does not</u> live at the facility.
22	<b>Residential Facility (public/private)</b>	Residential Facility	Students who receive education programs and <u>live in</u> public or private residential facilities during the school week. This includes students with disabilities receiving special education and related services, at public expense, for greater than 50% of the school day in public or private residential facilities. <b>Examples:</b> public and private residential schools for students with disabilities (Montana School for the Deaf and Blind); or public and private residential schools for students with disabilities for greater than 50% of the day and separate day schools or regular school buildings for the remainder of the school day. <u>Do not include students who do not live at the facility.</u>
8	<b>Homebound/Hospitals</b>	Homebound/Hospital	Students who receive education programs in homebound/hospital environments, including students with disabilities placed in and receiving special education and related services in hospital programs or homebound programs. <u>Do not include students with disabilities whose parents have opted to home-school them and who receive special education at public expense.</u>
9	<b>Correctional Facilities</b>	Correctional Facility	Students who receive special education in correctional facilities. This is intended to be a count of all students receiving special education in short-term detention facilities (community-based or residential), or correctional facilities.

10	<b>Private Schools (parentally placed)</b>	Parentally placed in private schools	Students who have been enrolled by their parents or guardians in regular parochial or other private schools and whose basic education is paid through private resources and who receive special education and related services at public expense from a local educational agency or intermediate educational unit under a services plan. Include students whose parents chose to home-school them, but who receive special education and related services at the public expense. <u>Do not include students who are placed in private schools by a public school district.</u>
