Spring 2023 ACT with Writing Moves to Online Format

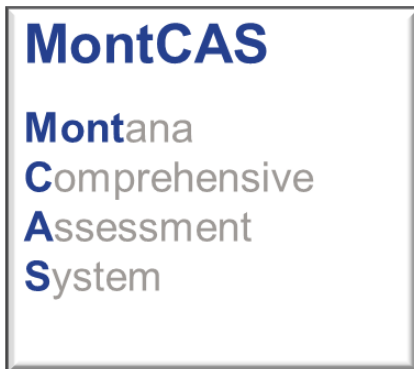

The OPI will be supporting online testing this coming spring under the state contract for the Grade 11 ACT with Writing. Testing windows will each be two weeks and give schools Tuesday, Wednesday, and Thursday options for each testing window to deliver the test. Districts and schools are encouraged to plan early for this move to online test administration by reviewing the [ACT Online Testing Information for States and Districts](#).

2022-2023 OPI Test Windows

	ACCESS for ELLs	Multi-State Alternate	Alternate Science	Science	Smarter Balanced	ACT with Writing
Required Subjects	English Language Proficiency (ELP)	Math and ELA	Science	Science	Math and ELA	Math, ELA, and Science
Student Group	English learners	SwSCDs	SwSCDs	General	General	General
Grades Tested	Grades K–12	Grades 3–8, 11	Grades 5, 8, 11	Grades 5, 8	Grades 3–8	Grade 11
Test Window	Dec 5 Feb 24	Mar 13 – Apr 28	Mar 13 – Apr 28	Mar 6 – May 26	Mar 6 – May 26	Window 1: Mar 28 – Apr 5 Window 2: Apr 11 – Apr 20 Window 3: Apr 25 – May 4

Note: SwSCDs is an acronym for student with significant cognitive disabilities and ‘SY’ is the abbreviation for school year. The OPI will publish any changes to the test windows on the [Published Test Windows](#). The asterisk (*) is used to signify these dates are subject to change based on new information or changed policies.

MontCAS News

This section pertains to any updates or news under the umbrella of the MontCAS program not specific to any one state assessment.

Portal Link: [MontCAS Application](#)

Specific usernames and passwords allow access to confidential school and student data. All educators involved in the administration of state assessments are responsible for maintaining the privacy and security of all student records as specified in the federal [Family Educational Rights and Privacy Act \(FERPA\)](#) and by state law.

All school officials (i.e., persons with legitimate educational interest) have a responsibility to safeguard student personally identifiable information (PII). The use of data is critical to ensuring high-quality education for all students but benefits of using student data must always be balanced with protecting student privacy. For more resources on student privacy, visit the [Student Privacy Policy Office's Privacy Technical Assistance Center Site](#).

Per OPI policy, the STC is the only user that the OPI registers at the beginning of the year within the various [Test Delivery Systems \(or TDS\)](#). This person is the OPI's single point of contact for all assessment-related communications.

New System Test Coordinators (STCs) should contact the OPI Assessment Unit to ensure proper access to assessment portals. Confirmation from the district Authorized Representative will be required prior to providing access to student level data in the portals. Contact the Assessment Unit at OPIAssessmentHelpDesk@mt.gov or at 844-867-2569 for assistance.

STCs should review the schedule and plan for the district accordingly. Check the [MontCAS Test Security Collection Schedule link](#) for required tasks and deadlines. STCs should verify that the five testing plans [[Test Administration Plan](#), [Test Security Plan](#), [Test Accessibility Plan](#), [Data Use Plan](#), and [Test Training Plan](#)] have been completed and electronically sign the STC Test Security Agreement [[MontCAS Test Security Manual](#)]. These tasks are due no later than **December 2, 2022**.

Alternate Assessments Based on Alternate Academic Achievement Standards [AA-AAAS]

Montana's Alternate Assessment aligned with Alternate Academic Achievement Standards (AA-AAAS) assessments measure student proficiency on alternate academic math, English language arts (ELA), English language proficiency (ELP), and science standards aligned to Montana's adopted college- and career-ready content standards (see ARM Chapter 53). Students eligible to participate in Alternate Assessments make up approximately 1.0 percent of the total student population. The decision to move a special education student to an Alternate Assessment has significant implications for the path that a student will take in their K–12 school career. It means the student is not able to participate in the general education curriculum even when provided with accommodations. A student who participates in Alternate Assessment requires a modified curriculum.

Effective August 1, 2022:

In the [April 2022 OPI Assessment Bulletin](#), the Assessment Unit published timely information on the announcement of the OPI's Alternate Assessment Eligibility Guidelines. These policies were published before the effective date to support school district training and technical assistance needs. This allows school districts with adequate time to transition and implement the updated policies and procedures. The new eligibility guidelines explain the OPI's policies and procedures for assessing students with significant cognitive disabilities (SwSCDs) using Montana's Alternate Assessments.

Resource Name	Resource Description
Alternate Assessment Eligibility Guidelines	This document was published in 2021-2022 for school district training and technical assistance purposes and will be in effect on August 1, 2022. This allows school districts with adequate time to transition and implement the updated policies and procedures. The new eligibility guidelines explain the OPI's policies and procedures for assessing students with significant cognitive disabilities (SwSCDs) using Montana's Alternate Assessments.
Appendix A: Participation Form	These four questions are the <u>same</u> that will be in the 2022-2023 school year AIM/Infinite Campus "Statewide IEP Editor". The requirement for school districts is to electronically complete these steps in AIM/Infinite Campus. Whereas the PDF document can be used to assist conversations locally but is not required to submit to the OPI. This form is intended to be used by the IEP team to document the conversations, evidence, and decisions when determining whether a student should participate in Alternate Assessments.
Appendix B: Decision Flowchart	Effective on August 1, 2022, this decision flowchart is designed to guide the sequence of decisions to be made by IEP teams when determining whether a student should participate in Montana's Alternate Assessments.
State 1.0 Percent Cap Guidance and Monitoring Google Site	This OPI website is intended to centralize the guidance on Alternate Assessments, assist the OPI with the public comment process for 1.0 percent cap, and share various resources with the public.

This assessment opportunity is available to all students in Grades 3–8 (unless the child is eligible for the alternate) using the OPI’s published guidance for test administration and test security.

Testing Alerts and Updates:

Interims Are LIVE for the School Year

Interims are available in the [Montana Testing Portal](#). If planning to administer interims, for access to the ICAs, please reach out to the OPI Assessment Unit via the [Interim Comprehensive Assessment Test Window Request Form](#).

Frequently Asked Questions:

Q: How do I make sure students taking an interim receive the accommodations they need per their IEP/504?

A: There are three types of student test settings within the Montana Testing Portal, and they need to be turned on locally [i.e. district level] in order for a student to be able to utilize them. Universal Tools are available to all students who can benefit from such. Designated Supports can be turned on as determined by the student’s educational team and do not require an IEP or 504. Accommodations can only be turned on if a student has an IEP/504. For details on student test settings see the [Usability, Accessibility, and Accommodations Guide](#).

Q: How do I print the individual student Smarter Balanced reports to be sent home to parents/families?

A: Review the resources in the [STC Corner Site](#), under the “Data & Reporting District Requirements” tab, which includes a [Quick-Start Tutorial](#) video on accessing score reports and where to find the parent letter template.

Q: What is the difference between a designated support and an accommodation?

A: Designated supports are tools that students use in their classroom experience that can be used at the discretion of the teacher on state assessments. It should be the goal to mirror a student's experience with assessment with that of their classroom experience. This differs from an accommodation, which is explicitly specified in a student’s Individualized Education Plan (IEP) or 504 Plan. More information regarding Montana’s tiers of supports can be found at [Montana’s Three Tiers of Accessibility document](#) as well as the [Usability, Accessibility, and Accommodations Guidelines](#) for the Smarter Balanced Assessment.

Q: Why are some students missing in TIDE?

A: The OPI will conduct monthly uploads to TIDE until December 1, when Biweekly uploads will occur, per the [2022-2023 TIDE Upload Calendar](#). If a student’s information is incorrect, make the appropriate edits in the district’s Student

Information System [i.e. Infinite Campus, PowerSchool, etc.] as this syncs to AIM where the OPI pulls all student information from to upload into TIDE.

Smarter Balanced Tasks

Due This Month

Due Date		Complete
	Review IEP/504s & Student Test Settings	To ensure that all students can meaningfully participate in statewide assessments update or verify that all student IEP/504s accurately reflect student needs. Refer to the Usability, Accessibility, and Accommodations Guide as a resource to know what supports and accommodations are available to students within the Montana Testing Portal.
	Prior to Administering ELA/Math Interims	If planning to administer interims, refer to the Smarter Balanced Google Calendar for a list of August tasks to complete prior to such. Tasks include: <ul style="list-style-type: none"> • Reviewing TIDE User Roles • Reviewing the student list in TIDE • Selecting Student Test Settings • Download an updated Secure Browser • Complete the 20-minute Test Administrator Certification Course • Sign the virtual Test Security Agreement (TSA)

Timely Tasks

Task		Responsibility
<input checked="" type="checkbox"/>	Administer interims per local discretion	As part of a district-wide balanced assessment system, districts are encouraged to administer ELA and math interims as it aligns with their data-driven curriculum mapping plans.

Resources and Supports

Resource		Support with...
	Balanced Assessment Roadmap	This document explains the principles of a balanced assessment and consolidates all Smarter Balanced (ELA/math) tools, via links, to support educators engaging with the Instructional Cycle.
	Tools for Teachers	This site offers teacher-created lesson plans, formative assessment resources, and individual interim assessment items.
	smART	The Smarter Annotated Response Tool can be used to better understand how student writing is scored on Smarter Balanced tests and support writing instruction in your classroom.
	TIDE Upload Schedule	Students are uploaded into the Montana Testing Portal [i.e. TIDE] twice a week until the summative testing window opens, when uploads occur daily.
	STC Workshop Site	This houses recordings to the webinars for our annual fall STC Workshop Series. The site provides assistance in developing your district testing plans.

This assessment opportunity is available to all students in Grade 11 (unless the child is eligible for the alternate) using the OPI's published guidance for test administration and test security.

Testing Alerts and Updates:

Spring 2023 ACT with Writing Moves to Online Format

The OPI will be supporting online testing this coming spring under the state contract for the Grade 11 ACT with Writing. Testing windows will each be two weeks and give schools Tuesday, Wednesday, and Thursday options for each testing window to deliver the test. Districts and schools are encouraged to plan early for this move to online test administration by reviewing the [ACT Online Testing Information for States and Districts](#).

Frequently Asked Questions:

Q. How can my school prepare for the move to online administration of the ACT with Writing?

A. Districts and schools can review the resources under the *Complete Site Readiness for Online Testing* under *Step 2: Configuration* of the [ACT State and District Testing website](#). The resources include documents outlining technical requirements, a site readiness plan, and training videos to assist schools in preparing for online testing.

Q. Where can I access student and school score data?

A: Score reports for Spring 2022 state testing can be found in [ACT Success](#) under the "ACT Test Scores and Reports" tab. Score reports in the ACT Success site are interactive and can be filtered to view the data at many levels.

Q: Will the PreACT be available for Grade 10 students again this year?

A. Yes, the PreACT will be available at no cost to Grade 10 students in Montana schools. The PreACT is provided to Montana schools through funding from the Office of the Commissioner of Higher Education. Learn more about the PreACT for Grade 10 students on the [PreACT page](#) of the [ACT State and District Testing website](#)

Q. What should I be doing right now to prepare my district for ACT with Writing?

A: Download the [MT ACT Schedule of Events \(SOE\)](#) from the [Montana ACT State and District website](#). The SOE provides tasks, timelines, and deadlines for all tasks to prepare for before, during, and after testing activities.

ACT with Writing Tasks

Due This Month

Due Date		Complete
	December 9, 2022 Select dates and shipping dates in PANext	Log in to PearsonAccess^{next} (PANext) to select the window during which your school plans to test, the dates you would like materials shipped, and to verify the shipping address.
	Ensure student data is correct in Infinite Campus	Districts should review and confirm correct enrollment data in the district's System Information System (Infinite Campus, PowerSchool, etc.) to ensure correct students are uploaded to the PearsonAccessnext system. The OPI will upload Grade 11 students to the system in mid-December 2022.
	Complete Site Readiness	Complete Site Readiness, including mock administration and ProctorCache installation by February 15, 2023. Step 2 on the ACT MT ACT State and District website has resources for these tasks.
	Validate configuration and freeze test environment for online testing.	Prepare your student devices for online testing between December 5, 2022 and February 15, 2023. Step 2 on the ACT MT ACT State and District website has resources for these tasks.

Timely Tasks

Task		Responsibility
<input checked="" type="checkbox"/>	Become familiar with online testing format and prepare your district early	Review the resources found under the Complete Site Readiness for Online Testing heading under Step 2: Configuration of the Montana ACT State and District Testing website .
<input checked="" type="checkbox"/>	Attend the "Test Administration Webinar and Q&A Session"	This Q&A session provides Test Coordinators with an overview of how to administer a successful test day. The webinar is scheduled for January 17, 2023.
<input checked="" type="checkbox"/>	Submit requests for accommodations and/or supports	The Test Accessibility and Accommodations (TAA) site is open through February 3 rd . Submit requests for accommodations and/or supports within the system for students in your district. The OPI recommends submitting requests as early as possible to ensure approval from ACT. Access the TAA site via the ACT Success site . See the TAA User Guide for assistance in using the site.

Resources and Supports

Resource		Support with...
	ACT State and District Testing	This is the Montana specific site for the ACT with Writing. The site provides resources for each step of the testing process for before, during, and after testing.
	ACT Success	The Success site provides access to student, school, and district level score reports. It also provides access to the Test Accommodations and Accessibilities (TAA) site. Reporting will move from PANext to the Success site for this coming spring's reports.
	TAA User Guide	The Test Accessibility and Accommodations User Guide assists users with the steps to request accommodations and/or supports for the ACT with Writing.
	Accommodations Office Hours	Have a question or need information or assistance in requesting an accommodation or support for a student? Join the ACT Accommodations Office Hours beginning November 9 and running through April 12, 2023. ACT representatives will be present to answer questions. See the Accommodations Office Hours schedule for specific dates.
	Performance Levels	The established proficiency levels for the ACT math and reading/language arts sub-tests in 2017 for ESSA accountability and reporting purposes are noted below. New this year the OPI has established proficiency levels for the ACT science sub-test for ESSA accountability and reporting purposes.

This assessment opportunity is available to only Students with Significant Cognitive Disabilities (SwSCD) in Grades 3–8 and 11 using the OPI’s published guidance for test administration and test security.

MSAAServiceCenter@MeasuredProgress.org.

Grades(s):	3 – 8 and 11
Subject(s):	Mathematics English Language Arts (ELA)
Test Time:	5 – 6 hours The test is not designed to be completed in one sitting as tests may be paused and resumed as often as necessary. A break may consist of a few minutes to a few days.
Testing Window:	March 13 – April 28, 2023
Helpful Pages:	OPI Page and STC Corner Page

Testing Alerts and Updates:

No updates at this time.

Frequently Asked Questions:

Q: I can't access the MSAA Portal, can you help me?

A: All resources [i.e. sample items and technology requirements] can be accessed on the [MSAA Portal](#) without having to log into the system. On February 20, 2023 all district STC's will receive an email from MSAA that they have a new account in the MSAA Portal, at which time you can access the system and create additional district users per. The MSAA Training Modules will become available in the MSAA Portal on February 27, 2023.

MSAA Tasks

Due This Month

	Due Date	Complete
	Review Student Alternate Assessment Eligibility Criteria	Review the newly published Alternate Assessment Eligibility Guidelines to ensure your district is meeting requirements for alternate student eligibility. Appendix A, the Participation Decision Documentation and Appendix B, the Decision Flowchart are both forms to assist IEP teams in determining whether a student should participate in the alternate assessments.

Timely Tasks

	Task	Responsibility
<input checked="" type="checkbox"/>	Implement formative strategies per local discretion	As part of a district-wide balanced alternate assessment system, districts are encouraged to analyze MSAA score reports, review their alignment to the Core Content Connectors as outlined on the MSAA Curriculum Resources site, and plan instruction utilizing the Sample Items Teacher Guides as a formative tool during instruction.

Resources and Supports

	Resource	Support with...
	Alternate Assessment Eligibility Guidelines	Effective this 2022-2023 school year, this document explains the OPI's policies and procedures for assessing students with significant cognitive disabilities (SwSCDs) using Montana's Alternate Assessments.
	MSAA System Portal	This is the MSAA System Portal where the test is administered and score reports are available for download.
	Formative Resources	Sample items accompanied with comprehensive Teacher Guides are available on the MSAA System Portal, which are designed as formative teaching resources for educators.
	MSAA Consortia Site	This website designed by the MSAA consortia member-states offers guidance and resources for educators.
	TIES Center- Resources	The TIES Center is the national technical assistance center on inclusive practices and policies with resources on teaching students with significant disabilities (SwSCD).

This assessment opportunity is available to all students in Grades 5 and 8 (unless the child is eligible for the alternate) using the OPI's published guidance for test administration and test security.

Score Reporting

Districts are responsible for providing Individual Score Reports (ISRs) to families alongside a [parent/family score report letter](#). Score reports for the Montana Science Assessment (MSA) and Alternate Montana Science Assessment (AMSA) are available through the [Montana Testing Portal Reporting System](#). The [Reporting System User Guide](#) shows how to access scores.

Frequently Asked Questions:

Q: When will score reports for the MSA be available, and how do I access them?

A: Score reports became available on September 12th, 2022 and can be accessed through the [Montana Testing Portal Reporting System](#).

Q: Who takes the Montana Science Assessment?

A: The Montana Science Assessment (MSA) is administered to general education students in grades 5 and 8.

MSA Tasks

Due This Month

Due Date		Complete
	Review IEP/504s & Student Test Settings	To ensure that all students can meaningfully participate in statewide assessments update or verify that all student IEP/504s accurately reflect student needs. Refer to the Montana Science Assessment Usability, Accessibility, and Accommodations Guidelines and the Alternate Montana Science Assessment Usability, Accessibility, and Accommodations as resources to know what supports and accommodations are available to students within the Montana Testing Portal.
	Prior to Administering Science Interims	If planning to administer interims, refer to the MSA Google Calendar for a list of August and September tasks to complete prior to such. Tasks include: <ul style="list-style-type: none">• Reviewing TIDE User Roles• Reviewing the student list in TIDE• Selecting Student Test Settings• Download an updated Secure Browser• Complete the 20-minute Test Administrator Certification Course• Sign the virtual Test Security Agreement (TSA)

MSA Timely Tasks

Task		Responsibility
<input checked="" type="checkbox"/>	Administer interims per local discretion	As part of a district-wide balanced assessment system, districts are encouraged to administer science interims as it aligns with their data-driven curriculum mapping plans.
<input checked="" type="checkbox"/>	Review Curriculum/Plan Instruction	Ensure alignment of local curriculum to the Montana Content Standards and plan instruction using data-driven practices.
<input checked="" type="checkbox"/>	Update Student Information in AIM	Ensure that student demographic information is up to date for the 2022-2023 school year. All 504 plans, IEPs, and EL designations need to be up to date in AIM.

Resources and Supports

Resource		Support with...
	Score Report Parent Letter Template	This letter template may be customized by districts and provided alongside individual student reports (ISRs) for parents/families.
	Reporting System Training Module	This module provides an overview of the Reporting System. It includes information on navigating the Reporting System for Summative and Interim Tests, using the Student Portfolio report, setting up reports, and /generating Individual Student Reports (ISRs) and Student Data Files.
	Reporting System User Guide	This user guide provides instructions and support for users viewing student assessment performance reports in the Reporting System.
	Teacher Learning Hub	Use the courses on the Teacher Learning Hub to understand the Montana Science Standards, teach students how to utilize real-world data, and more!

This assessment opportunity is available to only students with significant cognitive disabilities in Grades 5, 8, and 11 using the OPI's published guidance for test administration and test security.

Testing Alerts and Updates:

WIDA ACCESS for ELLs testing window opens December 5, 2022 and runs through February 24, 2023.

WIDA AMS Updates

On July 1, DRC launched several enhancements in [WIDA AMS \[app.explore.wisc.edu\]](#). See below for a quick glance at the new features for this year, or review our [Get familiar with 2022-23 WIDA AMS enhancements \[app.explore.wisc.edu\]](#) article to learn about the enhancements in more depth.

- The WIDA AMS landing page has a new look! Log in and use the buttons at the top of the page to quickly access commonly completed tasks. At the bottom, you’ll find two tabs with customer service information and links to public test resources.

DRC has a number of new customer service features:

- Over 60 Knowledge Articles are now available to provide you with the information you need quickly. Log in to WIDA AMS and select **DRC Customer Service** from the **My Applications** menu.
- Bilingual Spanish speaking customer service agents are available by request. Additionally, DRC now has a Teletypewriter (TTY) number for those who need access to that service.
- Test Practice and Sample Items are now available for WIDA Screener Online, with or without embedded accommodations. Simply select the grade-level cluster and domain and whether you’d like to use embedded accommodations or not, and the appropriate login information will be displayed directly on the screen.

Contact DRC Customer Service with questions about any of these features at wida@datarecognitioncorp.com or 855-787-9615.

Exiting Proficient Students

Students who attain an overall composite score of 4.7 or higher must be exited from EL status in AIM and monitored for two years to ensure that their language development and academic achievement continue to progress at grade level. Families must also be notified of changes in EL status and services. Check out the [OPI English Learners Page](#) for resources.

WIDA Tasks

Due This Month

Due Date		Complete
	December 5, 2022- February 24, 2023	ACCESS for ELLs and Alternate ACCESS for ELLs assessment window.
	December 6, 2022 – January 24, 2023	<p>Update your calendar to attend timely WIDA webinars!</p> <ul style="list-style-type: none"> December 6: During Testing: Managing Test Sessions – ACCESS Online December 8: During Testing: Managing Test Materials ACCESS Paper, Kindergarten ACCESS and Alt ACCESS December 13: During Testing: Managing Students in WIDA AMS – ACCESS Paper, Kindergarten ACCESS and Alt ACCESS January 24: Post Testing: Returning Materials – ACCESS Paper, Kindergarten ACCESS and Alternate ACCESS

<input checked="" type="checkbox"/>	Review Pre-Testing Q&A Webinar	If you missed the WIDA Q&A webinars on Pre-Testing: Software Update and Tech Readiness Checklist and Pre-Testing: Test Scheduling, watch the recorded versions in the WIDA Secure Portal on the Webinars page .
<input checked="" type="checkbox"/>	Administer Home Language Survey	As students enroll, districts must administer the Home Language Survey . Read the 2022-2023 English Learner Guidance for School Districts and EL Tool Guide for more information.
<input checked="" type="checkbox"/>	Screen Potential ELs	Districts screen potential ELs within 14 days of enrollment using an approved WIDA screener. For schools or districts with students learning remotely, check the Provisional EL Identification Procedure During Periods of Remote Learning . Mark newly identified students and transfer students correctly in AIM. AIM Data includes: (1) Home Primary Language (HPL), (2) Language of Impact (LOI), (3) EL identification (within 30 days), (4) Date identified as EL, (5) Date identified as proficient, and (6) 2 years of monitoring after exiting EL status.
<input checked="" type="checkbox"/>	Place ELs and Notify Families	EL identification: Newly identified ELs receive an EL designation in AIM and parents/guardians receive a placement letter within the first 30 days of enrollment.

Resources and Supports

Resource		Support with...
	2022-2023 English Learner Guidance for School Districts	The guidance document describes the OPI's policies and procedures required to serve EL students in the state of Montana. These requirements fall under the authority of both state and federal laws and regulations.
	EL Tool Guide for AIM	This document guides AIM users through the EL program features in AIM, including how to request records transfers, enroll newly identified EL students, and exit proficient students from the program designation.
	Standardized Entrance-Service-Monitor-Exit Procedures for ELs	This checklist walks administrators through the standardized procedures for identifying, serving, monitoring, and exiting English learners.
	WIDA Educator Exchange (Open Facebook Group)	This group allows EL educators from around the world to share their ideas and ask questions about EL teaching and assessment. It's especially helpful during times of remote learning and/or social distancing.

This assessment is administered to ONLY selected schools and students in mathematics and reading at Grades 4 and 8 (unless the child is eligible for the alternate).

	LTT Age 13	NAEP 2023 Field Test
Grade(s)/Age:	Age 13	4, 8 & 12
Subject(s):	Mathematics & Reading	Mathematics, Reading & Science
Test Time:	90 minutes	120 minutes
Testing Window:	Oct. 10 - Dec. 16, 2022	Mar. 20 - Apr. 14, 2023
Mode:	Paper-Based Assessment	Digital-Based Assessment
Helpful Pages:	OPI Page and STC Corner Page	

Testing Alerts and Updates:

All schools have been notified of their participation of NAEP 2023. Later this month, LTT Age 13 schools will complete their assessment. Soon Main NAEP – Reading, Mathematics and Science Grades 4 and 8, will receive further information about their upcoming assessment in January – March 2023.

This is a transitional year for NAEP. MyNAEP is no longer available. The [NAEP Assessment Management System \(AMS\)](#) is the new platform. The NAEP 2023 program will include a field test to explore an online assessment platform and transition to different devices, such as Chromebooks, that may be more familiar to students. Schools’ participation will help ensure that upcoming digitally-based NAEP assessments are valid and reliable measures of student achievement using authentic, meaningful, and efficient technologies based on practices used within the schooling environment. Results will not be publicly released but will be used to inform the future of NAEP and its pathway towards innovation.

As conducted in previous years, NAEP representatives provide significant support to schools by administering the assessment and bringing all necessary materials and equipment, including tablets with keyboards. As part of the program, it will implement three administration modes. However, each selected school will be assigned only one of the following modes based on the school’s technology infrastructure:

- Mode 1. All NAEP-provided devices for students and the NAEP administrator device connect to the school’s Internet.
- Mode 2. Only the NAEP administrator’s device connects to the school’s Internet and that device then communicates directly with individual NAEP-provided student devices.
- Mode 3. All devices are provided by NAEP and use NAEP-provided Internet.

To prepare for the assessment, NAEP School Coordinators will designate a district or school technology coordinator. The technology coordinator’s expertise will be important for completing a survey on technology and internet capabilities in your school. This person should:

- Be comfortable answering an internet connectivity survey; and
- Know the internet capabilities in the school such as,
 - Wi-fi bandwidth
 - How to connect devices to wi-fi with appropriate credentials, and
 - How to safelist URLs.

Frequently Asked Questions:

Q: Is Participation in NAEP Mandatory?

A: Participation in mathematics and reading in Grades 4 and 8 is required under the Every Student Succeeds Act (ESSA) for any district receiving Title 1 funding. For more information, please refer to the [Superintendent’s Memorandum](#).

Q: When do I need to send the parent letter?

A: Parents must be notified at least one week before the school’s assessment date.

Q: Is a make-up session required?

A: No, a make-up session will be “offered” by the NAEP Assessment Team. It is not required. ESSA requires participation, and if the school fully provided the opportunity on assessment day, then OPI’s perception is “they fulfilled their obligation.”

Webinars and Educator Resources

The Technical Assistance and Training Opportunities for the 2022-2023 school year are included below. System Test Coordinators can place these on calendars and save the date ([STC Workshop Series](#) and [MontCAS Focused Webinar Series](#)).

STC Workshop Series

The purpose of the “STC Workshop Series” is to provide each Montana school district System Test Coordinator (STC) with the opportunity to learn the “how-to’s” for each of the assessment related components they are responsible for. STC participants will leave this three-day series with content to complete the four required testing plans and be provided with step-by-step instructions on how to accomplish the various STC activities. The OPI Assessment Team will share some tips and tricks to accomplish said activities and invite veteran STCs to share their experience(s) as well.

The [STC Workshop Series](#) was held over three days in October, 2022 for a total of 12 sessions to support new and veteran STCs with the planning, preparation, and test management needs for the 2022-2023 school year. Recorded versions of the workshop sessions can be viewed on the [STC Workshop Series website](#).

OPI Assessment Monthly Webinar

During the 2022-2023 school year, the OPI Assessment Team will offer a Monthly Focused Webinar for 1-hour on Wednesdays. The focused webinar is designed to support educational practitioners such as district and school-level personnel involved in local assessment and local data-driven decision-making actions and/or continuous improvement processes. These 1-hour sessions are designed for educational practitioners to learn more about balanced assessments systems and strategies for implementing high-quality local assessment/data literacy practices including creating local systems around data-driven decision-making. A total of 10 webinars will be offered from September 2022 to June 2023 as published in the [FY2023 Monthly Focused Webinar Plan](#). **Attendees are eligible for 1-hour of renewal.**

- **October 12:** System Access Across Assessments and Setup [[Register](#)]
- **November 16:** Gaining Comfort and Familiarity with the Assessments [[Register](#)]

Technical Advisory Committee (TAC) News

The Montana Technical Advisory Committee (TAC) serves as a consulting group to the Montana Office of Public Instruction (OPI) to ensure the validity and reliability of the test scores and fairness in testing all students. Members of the TAC are highly regarded national, state, and local experts who have been widely published in their respective fields and have a good combination of various expertise to contribute to the OPI. TAC biographies are published on the [OPI's Statewide Testing Page](#).

What are the requirements for accountability this year ESEA-ESSA Section 1111(c)?

- Montana restarted its federal accountability systems in the 2021-2022 school year.
- All accountability and school identification requirements are in effect.
- Data from this year's state assessments will be used within the OPI's accountability process for annual meaningful differentiation of schools.
- **Participant** = must have **(1)** a valid score and be **(2)** assigned a proficiency level (see 34 CFR 200.2(a)(b)(1)(i)). All students, including students with disabilities are required by state and federal law to take part in the OPI's state assessments with or without accommodations. All students are expected to take part in state assessments in one of three ways:
 - Participate in the general education assessments without accommodations.
 - Participate in the general education assessments with accommodations.
 - Participate in [Alternate Assessments](#) when the participation criteria are met.
- To see a list of schools who were previously identified for targeted and comprehensive status, visit the [OPI's ESSA Information and Documents Page](#). The federal accountability process for school identification using the 2021-2022 state assessment data is planned to commence this Fall.

What are the requirements for reporting this year ESEA-ESSA Section 1111(h)?

- Any instances where it was unsafe for a student to participate in the state assessment due to COVID reasons or for medical reasons must be reported to the OPI using the "Medical Exemption" policy as defined within the [MontCAS Policies and Procedures for Participation in State Assessments](#).

What does participation and non-participation mean for state assessments?

Participation is necessary to ensure the data are representative and reflective of the population. When participation rates fall below the state and federal requirements, bias can be introduced into the student knowledge, skill, and ability estimates, thus reducing the overall confidence we have in the data and ultimately interfering with the inferences that can be made about student achievement.

- In Montana, there is no "opt out" law, and both state law and accreditation rules require all students in public and accredited non-public schools to participate in state testing.
- The OPI recognizes there are circumstances beyond the control of the school that may result in non-participation. In those rare cases, the district must report the reason for non-participation to the OPI using the [MontCAS Application](#).
- The figure on participation below is used to show how the calculation is made for participation rates for a school which is displayed on the [Montana ESSA Report Card](#) and within the accountability differentiation process.
 - Per the OPI's policies and federal reporting, only students with "medical exemptions" can be removed from the denominator, meaning all other instances of non-participation (or absence) impact the school's participation rate.
 - The state factors the requirement for 95 percent student participation in mathematics and reading/language arts assessments into the statewide accountability system. Students who meet participation requirements and who do not test are assigned a score of "Novice" and designated as a non-participant for accountability purposes (see [ESSA State Plan](#), [MontCAS Policies and Procedures for Participation in State Assessments](#), and [Six Things Stakeholders Should Know about Participation and Testing in Montana](#)).

OPI's Recommended Roles and Responsibilities

Authorized Representative Role:	<p>The individual designated to comply and/or enforce activities in connection with federal legal requirements (see 34 CFR §99.3). Authorized Representatives appoint STCs as the single point of contact for all assessment-related matters and testing alerts within the school system.</p> <ul style="list-style-type: none"> Authorized Representatives must complete the electronic assurance for data privacy and STC designation within the TEAMS Application each year. Check the TEAMS page for data collection deadlines and guidance.
System Test Coordinator Role:	<p>This role serves as the data steward for managing local users within the restricted web-based TDS portals used to deliver each test. This role also serves as the local liaison for all standardized testing procedures (i.e., proctoring, safeguarding, securing, and reporting state test information) and ensuring staff are trained and certified to administer state assessments.</p> <ul style="list-style-type: none"> STCs must sign the electronic test security agreement and the testing plan assurances in the MontCAS Application by the dates specified in the "MontCAS Test Security Collection Schedule 2021-22".
Building Coordinator Role:	<p>Assigned by the AR and/or STC and is typically a licensed non-instructional person such as principals, vice principals, counselors, or other staff members. This person coordinates state assessments in the school building.</p> <ul style="list-style-type: none"> All staff with TIDE Testing Portal accounts will be required to sign an electronic TSA. All staff with WIDA accounts, ACT accounts, and MSAA accounts will also be required to sign an electronic TSA or non-disclosure agreement (NDA) to gain access to the online test administration and reporting sites.
Test Administrator Role:	<p>This person is assigned by the STC and/or BC and is a licensed educator such as a classroom teacher. The OPI further recommends that the Test Administrator is familiar to the students, so students feel more comfortable in the testing environment. TAs follow and administer the tests in accordance with the assessment-specific Test Administration Manuals.</p> <ul style="list-style-type: none"> All staff with TIDE Testing Portal accounts will be required to sign an electronic TSA. All staff with WIDA accounts, ACT accounts, and MSAA accounts will also be required to sign an electronic TSA or non-disclosure agreement (NDA) to gain access to the online test administration and reporting sites.
Technology Coordinator Role:	<p>This person ensures the secure browser is installed properly to administer the online assessments via the test delivery systems and that all system requirement setup and requirements have been completed before testing. More information about these roles can be found in the MontCAS Test Security Manual.</p>
Staff in Supporting Roles	<p>All staff within the district who may assist with state assessments (e.g., storing ACT materials, sending score reports home, and scribes) will sign the MontCAS Test Security Agreement for Supporting Roles. The TSA should be electronically signed prior to the opening of the state assessment test windows.</p>

More information about local roles and responsibilities can be found on the [OPI's Test Security Page](#) under the "Resources" column for "Roles and Responsibilities Letters". The STC is responsible for maintaining records of TSAs at each level for a period of up to three years as the OPI may request copies of them within that time period.

OPI Assessment Unit Mission Statement

1. **Mentor** schools through the local roles and responsibilities related to administering state assessments in compliance with federal and state law.
2. **Foster** critical partnerships with stakeholders to build strong local assessment and data practices.
3. **Measure** student participation, proficiency, and progress on state content standards over time and help monitor and address educational needs for all learners.
4. **Provide** meaningful, timely, accurate, understandable, and transparent information to the public and families on achievement indicators and to support education information processes at the local and state level.
5. **Help** the public understand performance on achievement indicators and inequities across schools, so all students have equitable opportunities to access high-quality education.
6. **Advance** teaching and learning through the implementation of balanced systems and continuous improvement processes.

7. **Offer** high-quality technical assistance and professional learning to support test administration and implementation of equitable balanced assessment systems.
8. **Pursue** excellence using the highest professional and technical standards for evidence-based practices and data-driven decision-making.

Accommodation statement for publications

The OPI is committed to providing reasonable accommodations to people with disabilities. If you need a reasonable accommodation, require an alternate format, or have questions concerning accessibility, contact the OPI ADA Coordinator, 406-444-3161, opiada@mt.gov, or call 711 for assistance.

Nondiscrimination statement

The Office of Public Instruction does not discriminate based on race, color, national origin, sex, disability, marital status, religion, creed, pregnancy, childbirth, sexual orientation, gender identity or expression, political beliefs, genetic information, military service or veteran's status, culture, social origin or condition, ancestry, or age in its programs and activities. The following person has been designated to handle inquiries regarding nondiscrimination policies:

Human Resource Manager
406-444-2673
OPIpersonnel@mt.gov

For further information on notice of nondiscrimination, call 1-800-421-3481 or visit <http://wdcrobcop01.ed.gov/CFAPPS/OCR/contactus.cfm> for the address and phone number of the Office of Civil Rights (OCR) that serves your area.
