Spring 2023 ACT with Writing Moves to Online Format

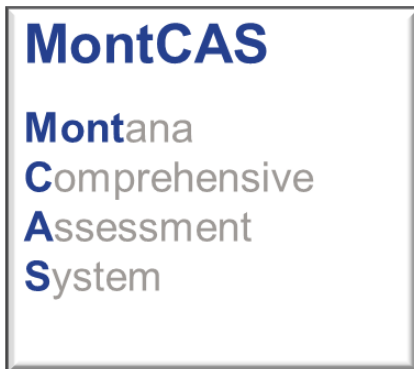

The OPI will be supporting online testing this coming spring under the state contract for the Grade 11 ACT with Writing. Testing windows will each be two weeks and give schools Tuesday, Wednesday, and Thursday options for each testing window to deliver the test. Districts and schools are encouraged to plan early for this move to online test administration by reviewing the [ACT Online Testing Information for States and Districts](#).

2022-2023 OPI Test Windows

	ACCESS for ELLs	Multi-State Alternate	Alternate Science	Science	Smarter Balanced	ACT with Writing
Required Subjects	English Language Proficiency (ELP)	Math and ELA	Science	Science	Math and ELA	Math, ELA, and Science
Student Group	English learners	SwSCDs	SwSCDs	General	General	General
Grades Tested	Grades K–12	Grades 3–8, 11	Grades 5, 8, 11	Grades 5, 8	Grades 3–8	Grade 11
Test Window	Dec 5 Feb 24	Mar 13 – Apr 28	Mar 13 – Apr 28	Mar 6 – May 26	Mar 6 – May 26	Window 1: Mar 28 – Apr 5 Window 2: Apr 11 – Apr 20 Window 3: Apr 25 – May 4

Note: SwSCDs is an acronym for student with significant cognitive disabilities and ‘SY’ is the abbreviation for school year. The OPI will publish any changes to the test windows on the [Published Test Windows](#). The asterisk (*) is used to signify these dates are subject to change based on new information or changed policies.

MontCAS News

This section pertains to any updates or news under the umbrella of the MontCAS program not specific to any one state assessment.

Portal Link: [MontCAS Application](#)

Specific usernames and passwords allow access to confidential school and student data. All educators involved in the administration of state assessments are responsible for maintaining the privacy and security of all student records as specified in the federal [Family Educational Rights and Privacy Act \(FERPA\)](#) and by state law.

Per OPI policy, the STC is the only user that the OPI registers at the beginning of the year within the various [Test Delivery Systems \(or TDS\)](#). This person is the OPI's single point of contact for all assessment-related communications.

STCs should review the schedule and plan for the district accordingly. Check the [MontCAS Test Security Collection Schedule link](#) for required tasks and deadlines. STCs should verify that the five testing plans [[Test Administration Plan](#), [Test Security Plan](#), [Test Accessibility Plan](#), [Data Use Plan](#), and [Test Training Plan](#)] have been completed and electronically sign the STC Test Security Agreement [[MontCAS Test Security Manual](#)]. These tasks are due no later than **December 2, 2022**.

If you are an STC and have not completed the above noted test security tasks in the MontCAS Application, complete them as soon as possible to ensure your district does not have a testing incident filed on its behalf by the OPI Assessment Unit.

This assessment opportunity is available to all students in Grades 3–8 (unless the child is eligible for the alternate) using the OPI’s published guidance for test administration and test security.

Grades(s):	3 – 8
Subject(s):	Mathematics English Language Arts (ELA)
Test Time:	3 – 4 hours
Testing Window:	March 6 – May 26, 2023
Helpful Pages:	OPI Page and STC Corner Page

Testing Alerts and Updates:

Testing Window Opens Soon

The Grades 3-8 ELA and mathematics (Smarter Balanced) summative testing window opens on March 6.

Secure Browser Updates

If your district utilizes Apple products for testing (I.E. Mac computers) that run MacOS13 (Ventura), you will need to download the latest secure browser for testing. Check the secure browser page to verify you have the latest version downloaded ahead of testing.

Frequently Asked Questions:

Q: Why are accommodations not displaying in TIDE?

A: If the accommodations for a student with a known IEP is not displaying correctly in TIDE, or you are unable to correctly set a student’s test settings, make sure that the IEP of your student in question is locked. If an IEP or 504 is not locked in your SIS (Infinite Campus), we are unable to pull that data when we collect the information from AIM. If this has happened, lock your student’s IEP or 504 plan and by the next upload to TIDE you will be able to correctly configure test settings.

Q: What is the difference between a designated support and an accommodation?

A: Designated supports are extra tools that students use in their classroom experience that can be used at the discretion of the teacher on state assessments. It should be the goal to mirror a student’s experience with assessment with that of their classroom experience. This differs from an accommodation, which is explicitly specified in a student’s Individualized Education Plan (IEP) or 504 plan. More information regarding Montana’s tiers of supports can be found at [Montana’s Three Tiers of Accessibility document](#) as well as the [Usability, Accessibility, and Accommodations Guidelines](#) for the Smarter Balanced Assessment.

Q: Why are some students missing in TIDE?

A: The OPI started conducting biweekly uploads to TIDE, per the [2022-2023 TIDE Upload Calendar](#), on December 1. If a student’s information is incorrect, make the appropriate edits in the district’s Student Information System [i.e. Infinite Campus, PowerSchool, etc.] as this syncs to AIM where the OPI pulls all student information from to upload into TIDE.

Q: How do I make sure that all staff have signed the Test Security Agreement (TSA) located in the Montana Testing Portal?

A: All users are required to sign their virtual Test Security Agreement (TSA) before they can access any secure material such as TIDE, the interims, the certification course, or the Reporting System. If users can access any of these secure sites, it means they have already signed their TSAs virtually. The OPI maintains records of all users who have signed their TSA; for a district copy reach out to the Assessment Help Desk.

Smarter Balanced Tasks

Due This Month

Due Date		Complete
	Late-January	Review all TIDE user roles and delete any user accounts who are no longer employed at the district and add any new district staff who will need access to the Montana Testing Portal .
	Early-February	Prior to being able to access any testing material, all Montana Test Portal users must complete the 20-minute Test Administrator Certification Course and sign the virtual test security agreement (TSA) on the Montana Testing Portal .
	Mid-February	Review and locally select the appropriate accessibility tools [i.e. universal tools, designated supports, and accommodations] as outlined in the Usability, Accessibility, and Accommodations Guide to ensure that all students can meaningfully participate in statewide assessments.
	Mid-February	Contact your district IT and have them update the Secure Browsers on student computers per the technology guidance documents housed in the Montana Testing Portal . Note that annual updates are required.
	Early March	Per A.R.M. 10.56.102(6), customize the OPI Parent Notice Letter Template and send to parents in preparation for administering Grades 3-8 ELA and math (i.e. Smarter Balanced) statewide assessments.

Timely Tasks

Task		Responsibility
<input checked="" type="checkbox"/>	Administer interims per local discretion	As part of a district-wide balanced assessment system, districts are encouraged to administer ELA and math interims as it aligns with their data-driven curriculum mapping plans.
<input checked="" type="checkbox"/>	Provide Professional Development to district staff around Smarter Balanced test security protocols.	Adhere to your district Test Training Plan in providing professional development around preparing staff for the upcoming Smarter Balanced summative assessments.

Resources and Supports

Resource		Support with...
	Balanced Assessment Roadmap	This document explains the principles of a balanced assessment and consolidates all Smarter Balanced (ELA/math) tools, via links, to support educators engaging with the Instructional Cycle.
	Tools for Teachers	This site offers teacher-created lesson plans, formative assessment resources, and individual interim assessment items.
	smART	The Smarter Annotated Response Tool can be used to better understand how student writing is scored on Smarter Balanced tests and support writing instruction in your classroom.
	TIDE Upload Schedule	Students are uploaded into the Montana Testing Portal [i.e. TIDE] twice a week until the summative testing window opens, when uploads occur daily.
	STC Workshop Site	This houses recordings to the webinars for our annual fall STC Workshop Series. The site provides assistance in developing your district testing plans.

This assessment opportunity is available to all students in Grade 11 (unless the child is eligible for the alternate) using the OPI's published guidance for test administration and test security.

Testing Alerts and Updates:

Spring 2023 ACT with Writing Moves to Online Format

The OPI will be supporting online testing this spring under the state contract for the Grade 11 ACT with Writing. Testing windows will each be two weeks and give schools Tuesday, Wednesday, and Thursday options for each testing window to deliver the test. Districts and schools are encouraged to plan early for this move to online test administration by reviewing the [ACT Online Testing Information for States and Districts](#).

Frequently Asked Questions:

Q. How can my school prepare for the move to online administration of the ACT with Writing?

A. Districts and schools can review the resources under the *Complete Site Readiness for Online Testing* under *Step 2: Configuration* of the [ACT State and District Testing website](#). The resources include documents outlining technical requirements, a site readiness plan, and training videos to assist schools in preparing for online testing.

Q: Will the PreACT be available for Grade 10 students again this year?

A. Yes, the PreACT will be available at no cost to Grade 10 students in Montana schools. The PreACT is provided to Montana schools through funding from the Office of the Commissioner of Higher Education. Learn more about the PreACT for Grade 10 students on the [PreACT page](#) of the [ACT State and District Testing website](#)

Q. What should I be doing right now to prepare my district for ACT with Writing?

A: Download the [MT ACT Schedule of Events \(SOE\)](#) from the [Montana ACT State and District website](#). The SOE provides tasks, timelines, and deadlines for all tasks to prepare for before, during, and after testing activities.

ACT with Writing Tasks

Due This Month

Due Date		Complete
	February 7	Attend ACT's Online Readiness Webinar and Q&A Session. Register to attend using this registration link .
	February 10	Submit requests for accommodations via the Test Accessibility and Accommodations (TAA) site February 10th. The OPI recommends submitting requests as early as possible to ensure approval from ACT. Access the TAA site via the ACT Success site . See the TAA User Guide for assistance in using the site.
	February 15	Complete Site Readiness, including mock administration and ProctorCache installation by February 15, 2023. Step 2 on the ACT MT ACT State and District website has resources for these tasks.
	February 15	Validate configuration and freeze test environment for online testing to prepare your student devices for online testing by February 15, 2023. Step 2 on the ACT MT ACT State and District website has resources for these tasks.

Timely Tasks

Task		Responsibility
<input checked="" type="checkbox"/>	Become familiar with online testing format and prepare your district early	Review the resources found under the Complete Site Readiness for Online Testing heading under Step 2: Configuration of the Montana ACT State and District Testing website .
<input checked="" type="checkbox"/>	Attend the "Test Day and Beyond Webinar and Q&A Session"	This Q&A session provides Test Coordinators with an overview of how to administer a successful test day. The webinar is scheduled for March 9, 2023.

Resources and Supports

Resource		Support with...
	ACT State and District Testing	This is the Montana specific site for the ACT with Writing. The site provides resources for each step of the testing process for before, during, and after testing.
	ACT Success	The Success site provides access to student, school, and district level score reports. It also provides access to the Test Accommodations and Accessibilities (TAA) site. Reporting will move from PANext to the Success site for this coming spring's reports.
	TAA User Guide	The Test Accessibility and Accommodations User Guide assists users with the steps to request accommodations and/or supports for the ACT with Writing.
	Accommodations Office Hours	Have a question or need information or assistance in requesting an accommodation or support for a student? Join the ACT Accommodations Office Hours beginning November 9 and running through April 12, 2023. ACT representatives will be present to answer questions. See the Accommodations Office Hours schedule for specific dates.
	Performance Levels	The established proficiency levels for the ACT math and reading/language arts sub-tests in 2017 for ESSA accountability and reporting purposes are noted below. New this year the OPI has established proficiency levels for the ACT science sub-test for ESSA accountability and reporting purposes.

This assessment opportunity is available to only Students with Significant Cognitive Disabilities (SwSCD) in Grades 3–8 and 11 using the OPI’s published guidance for test administration and test security.

Contact Cognia Help Desk Hotline: 1-866-834-8879
MSAAServiceCenter@MeasuredProgress.org

Grades(s):	3 – 8 and 11
Subject(s):	Mathematics English Language Arts (ELA)
Test Time:	5 – 6 hours The test is not designed to be completed in one sitting as tests may be paused and resumed as often as necessary. A break may consist of a few minutes to a few days.
Testing Window:	March 13 – April 28, 2023
Helpful Pages:	OPI Page and STC Corner Page

Testing Alerts and Updates:

Testing Window Opens Soon

The alternate assessment for mathematics and ELA for grades 3-8 and 11 (MSAA) testing window opens on March 13.

Initial Student Upload

The initial student upload to the MSAA system was conducted on January 19. A second student upload will take place at the beginning of March before the testing window opens. Ensure that all IEPs are locked in your SIS so that uploads can occur without issue.

Frequently Asked Questions:

Q: I can’t access the MSAA Portal, can you help me?

A: All resources [i.e. sample items and technology requirements] can be accessed on the [MSAA Portal](#) without having to log into the system. On February 20, 2023 all district STC’s will receive an email from MSAA that they have a new account in the MSAA Portal, at which time you can access the system and create additional district users per. The MSAA Training Modules will become available in the MSAA Portal on February 27, 2023.

Q: My student is on an IEP, does that mean they take the MSAA?

A: Not necessarily. For a student to be eligible to participate in the MSAA, they need to meet the following criteria:

- The student has a significant cognitive disability.
- The student has an active IEP and receives special education services under IDEA.
- The student’s demonstrated cognitive abilities and adaptive behavior require substantial adjustments or modifications to the general curriculum.
- The student requires direct and extensive instruction to acquire, maintain, generalize, and transfer new skills.

A student needs to meet **all four** of these criteria to be considered eligible. Refer to the [Eligibility Criteria Worksheet for Alternate Students](#) for more information.

MSAA Tasks

Due This Month

Due Date		Complete
	Maintain Throughout the School-Year	Alternate Assessment Designation in Local SIS: Ensure that the alternate assessment checkbox on the IEP is marked within the local Student Information System (i.e., Infinite Campus). The checked alternate flag is the only way the OPI can identify alternate students to place them in the appropriate testing portals. <ul style="list-style-type: none"> • Assessment Registration Collection Guide [AIM]
	Before Testing	Administer ELA or math practice tests using the Sample Items available on the MSAA System Portal to ensure students and test administrators are familiar with the format and accessibility features of the alternate assessment prior to administering the summative assessment.
	Mid-February	Contact your district IT and have them ensure that the student computers for the alternate assessments have a compatible operating system for the MSAA assessment platform. <ul style="list-style-type: none"> • Technology Requirements document
	February 20-24	<u>Accessing MSAA System & Creating Users:</u> On February 20, all STCs will receive emails notifying them that their Test Coordinator (TC) accounts have been created in the MSAA System. STCs are responsible for creating any additional district TA roles. DO NOT create additional student roles if you don't see a student.
	Early March	<u>Parent Notification Letter:</u> Per A.R.M. 10.56.102(6), customize the OPI Parent Notice Letter Template and send to parents in preparation for administering Grades 3-8 & 11 ELA and math (i.e. MSAA) alternate statewide assessments
	March 13	<u>Completing TC/TA Training Modules:</u> The required MSAA Training Modules become available on February 28. All test administrators [TAs] must complete the training modules and pass the Final Quiz with an 80% proficiency prior to accessing testing materials. Test Coordinators [TCs] must complete the training modules but are not required to complete the Final Quiz.

Timely Tasks

Task		Responsibility
<input checked="" type="checkbox"/>	Implement formative strategies per local discretion	As part of a district-wide balanced alternate assessment system, districts are encouraged to analyze MSAA score reports, review their alignment to the Core Content Connectors as outlined on the MSAA Curriculum Resources site, and plan instruction utilizing the Sample Items Teacher Guides as a formative tool during instruction.
<input checked="" type="checkbox"/>	Determine Alternate Assessment Eligibility	The Eligibility Criteria Worksheet for Alternate Students is a form to assist IEP teams in determining whether a student should participate in the alternate assessments. <ul style="list-style-type: none"> • Review the Alternate Assessment Eligibility Guidelines for more specific guidance on identifying alternate students.

Resources and Supports

Resource		Support with...
	Alternate Assessment Eligibility Guidelines	Effective this 2022-2023 school year, this document explains the OPI's policies and procedures for assessing students with significant cognitive disabilities (SwSCDs) using Montana's Alternate Assessments.
	MSAA System Portal	This is the MSAA System Portal where the test is administered and score reports are available for download.
	Formative Resources	Sample items accompanied with comprehensive Teacher Guides are available on the MSAA System Portal, which are designed as formative teaching resources for educators.
	MSAA Consortia Site	This website designed by the MSAA consortia member-states offers guidance and resources for educators.
	TIES Center- Resources	The TIES Center is the national technical assistance center on inclusive practices and policies with resources on teaching students with significant disabilities (SwSCD).

This assessment opportunity is available to all students in Grades 5 and 8 (unless the child is eligible for the alternate) using the OPI's published guidance for test administration and test security.

Score Reporting

Districts are responsible for providing Individual Score Reports (ISRs) to families alongside a [parent/family score report letter](#). Score reports for the Montana Science Assessment (MSA) and Alternate Montana Science Assessment (AMSA) are available through the [Montana Testing Portal Reporting System](#). The [Reporting System User Guide](#) shows how to access scores.

Testing Window Opens Soon

The Montana Science Assessment summative testing window for Grades 5 and 8 opens on March 6.

Frequently Asked Questions:

Q: When will score reports for the MSA be available, and how do I access them?

A: Score reports became available on September 12th, 2022 and can be accessed through the [Montana Testing Portal Reporting System](#).

Q: Who takes the Montana Science Assessment?

A: The Montana Science Assessment (MSA) is administered to general education students in grades 5 and 8.

MSA Tasks

Due This Month

Due Date		Complete
	Late-January	Review all TIDE user roles and delete any user accounts who are no longer employed at the district, add any new district staff who will need access to the Montana Testing Portal , and create rosters as needed per district discretion [TIDE User Guide].
	Early-February	Prior to being able to access any testing material, all Montana Test Portal users must complete the 20-minute Test Administrator Certification Course and sign the virtual test security agreement (TSA) on the Montana Testing Portal .
	Mid-February	Review and locally select the appropriate accessibility tools [i.e. universal tools, designated supports, and accommodations] as outlined in the Usability, Accessibility, and Accommodations Guide to ensure that all students can meaningfully participate in statewide assessments.
	Mid-February	Contact your district IT and have them update the Secure Browsers on student computers per the technology guidance documents housed in the Montana Testing Portal . Note that annual updates are required.
	Early March	Per A.R.M. 10.56.102(6), customize the OPI Parent Notice Letter Template and send to parents in preparation for administering Grades 5 and 8 statewide science assessments.

MSA Timely Tasks

Task	Responsibility
<input checked="" type="checkbox"/> Administer interims per local discretion	As part of a district-wide balanced assessment system, districts are encouraged to administer science interims as it aligns with their data-driven curriculum mapping plans.
<input checked="" type="checkbox"/> Review Curriculum/Plan Instruction	Ensure alignment of local curriculum to the Montana Content Standards and plan instruction using data-driven practices.
<input checked="" type="checkbox"/> Update Student Information in AIM	Ensure that student demographic information is up to date for the 2022-2023 school year. All 504 plans, IEPs, and EL designations need to be up to date in AIM.

Resources and Supports

Resource	Support with...
 Score Report Parent Letter Template	This letter template may be customized by districts and provided alongside individual student reports (ISRs) for parents/families.
 Reporting System Training Module	This module provides an overview of the Reporting System. It includes information on navigating the Reporting System for Summative and Interim Tests, using the Student Portfolio report, setting up reports, and /generating Individual Student Reports (ISRs) and Student Data Files.
 Reporting System User Guide	This user guide provides instructions and support for users viewing student assessment performance reports in the Reporting System.
 Teacher Learning Hub	Use the courses on the Teacher Learning Hub to understand the Montana Science Standards, teach students how to utilize real-world data, and more!

This assessment opportunity is available to only students with significant cognitive disabilities in Grades 5, 8, and 11 using the OPI's published guidance for test administration and test security.

[Program Overview](#) and [Video](#)

Grades(s):	K–12
Subject(s):	English Proficiency Assessment (ELP)
Test Time:	4 – 4.5 hours
Testing Window:	Dec. 5, 2022 – Feb. 24, 2023
Helpful Pages:	OPI Page and STC Corner Page

Testing Alerts and Updates:

The WIDA ACCESS for ELLs testing window opened December 5, 2022 and runs through February 24, 2023.

Frequently Asked Questions:

Q: My district received ACCESS for ELLs test materials for a student who is not an EL. What should I do with them?

A: In an effort to assist the field in receiving information about English Learner (EL) status of students enrolling in their districts/schools, the OPI updated the script used to upload students to the WIDA AMS (DRC) portal for the 2022-2023 school year. Our office is aware that there may have been an error in the final script we used that caused students who do not need to take the ACCESS for ELLs assessment to be uploaded to the testing portal. If you received materials that you believe were received in error, please reach out to the [OPI Assessment Unit](#) for next steps.

WIDA Tasks

Due This Month

Due Date		Complete
	December 5, 2022- February 24, 2023	ACCESS for ELLs and Alternate ACCESS for ELLs assessment window.
	March 7, 2023	Update your calendar to attend the Post Testing: Data Validation webinar .
	Return Writing Materials as soon as possible	Schools and districts do not have to wait until the end of the testing window to return paper materials to DRC. Returning Writing test booklets for your Grades 1-3 ELs early helps support the quality of ACCESS for ELLs scoring and ensures score reports are not delayed.

ACCESS for ELLs Timely Tasks

Task		Responsibility
<input checked="" type="checkbox"/>	Review Pre-Testing and During Testing Q&A Webinars	If you missed the WIDA Q&A webinars on Pre-Testing and During Testing, watch the recorded versions in the WIDA Secure Portal on the Webinars page .
<input checked="" type="checkbox"/>	Administer Home Language Survey	As students enroll, districts must administer the Home Language Survey . Read the 2022-2023 English Learner Guidance for School Districts and EL Tool Guide for more information.
<input checked="" type="checkbox"/>	Screen Potential ELs	Districts screen potential ELs within 14 days of enrollment using an approved WIDA screener. For schools or districts with students learning remotely, check the Provisional EL Identification Procedure During Periods of Remote Learning . Mark newly identified students and transfer students correctly in AIM. AIM Data includes: (1) Home Primary Language (HPL), (2) Language of Impact (LOI), (3) EL identification (within 30 days), (4) Date identified as EL, (5) Date identified as proficient, and (6) 2 years of monitoring after exiting EL status.
<input checked="" type="checkbox"/>	Place ELs and Notify Families	EL identification: Newly identified ELs receive an EL designation in AIM and parents/guardians receive a placement letter within the first 30 days of enrollment.

Resources and Supports

Resource		Support with...
	2022-2023 English Learner Guidance for School Districts	The guidance document describes the OPI's policies and procedures required to serve EL students in the state of Montana. These requirements fall under the authority of both state and federal laws and regulations.
	EL Tool Guide for AIM	This document guides AIM users through the EL program features in AIM, including how to request records transfers, enroll newly identified EL students, and exit proficient students from the program designation.
	Standardized Entrance-Service-Monitor-Exit Procedures for ELs	This checklist walks administrators through the standardized procedures for identifying, serving, monitoring, and exiting English learners.
	Alternate ACCESS for ELLs Field Test website	WIDA created this website to assist schools and districts in ensuring the required Alternate ACCESS for ELLs field test is administered correctly. The website will answer all of your questions about the new Alternate ACCESS for ELLs.

This assessment is administered to ONLY selected schools and students in mathematics and reading at Grades 4 and 8 (unless the child is eligible for the alternate).

Testing Alerts and Updates:

[National Assessment of Educational Progress](#) (NAEP) is a congressionally mandated program administered by the [National Center for Education Statistics](#) (NCES) within the U.S. Department of Education. The [National Assessment Governing Board](#) (NAGB) oversees and sets policy for NAEP.

The 2023 NAEP program will include digitally based assessments, administered on tablets, in mathematics and reading assessments at grades 4 and 12 and mathematics, reading and science at grade 8 from **March 20 to April 14, 2023**. Each student will be only assessed in one subject. NAEP representatives will bring all necessary materials and equipment to schools. Participation is required under the Every Student Succeeds Act (or ESSA) for any district receiving Title 1 funding.

This is a transitional year for NAEP. MyNAEP is no longer available. The [NAEP Assessment Management System \(AMS\)](#) is the new platform. The NAEP 2023 program will include a field test to explore an online assessment platform and transition to different devices, such as Chromebooks, that may be more familiar to students. Schools' participation will help ensure that upcoming digitally-based NAEP assessments are valid and reliable measures of student achievement using authentic, meaningful, and efficient technologies based on practices used within the schooling environment. Results will not be publicly released but will be used to inform the future of NAEP and its pathway towards innovation.

Frequently Asked Questions:

Q: Is Participation in NAEP Mandatory?

A: Participation in mathematics and reading in Grades 4 and 8 is required under the Every Student Succeeds Act (ESSA) for any district receiving Title 1 funding. For more information, please refer to the [Superintendent's Memorandum](#).

Q: When do I need to send the parent letter?**A:** Parents must be notified at least one week before the school's assessment date.**Q: Is a make-up session required?****A:** No, a make-up session will be “offered” by the NAEP Assessment Team. It is not required. ESSA requires participation, and if the school fully provided the opportunity on assessment day, then OPI’s perception is “they fulfilled their obligation.”**NAEP Tasks****Due This Month**

Due Date		Complete
	Before Assessment Planning Meeting (APM)	Provide Student Information
	February 6 - 24	Schedule Assessment Planning Meeting (APM)
	Before Assessment Planning Meeting (APM)	Provide Assessment Logistics
	Before Assessment Planning Meeting (APM)	Technical Logistics
	Before Assessment Planning Meeting (APM)	Parents/Guardians Notification

For detailed description of each task, read [School Coordinator Communication #2 – NAEP 2023 Preassessment Tasks](#) in the [STC Corner](#).

Timely Tasks

Due Date		Complete
<input checked="" type="checkbox"/>	Support Assessment Activities	SC will download documents for teachers and students to distribute prior to the assessment: Teacher Notification Letter, List of Participating Students, and Student Appointment Cards.
<input checked="" type="checkbox"/>	Assessment Day	During the assessment, we would appreciate the presence of a school staff member as an observer in each testing session.

Resources and Supports

	AMS Automated Email	This automated email will come from the AMS on February 6.
	Montana NAEP 2023 SD Inclusion Policy	This document provides inclusion policy for Students with Disabilities (SD).
	Montana NAEP 2023 EL Inclusion Policy	This document provides inclusion policy for English Learners (EL).
	MontCAS Test Security Manual	Policies and Procedures for Data Integrity and Test Security withing the Montana Comprehensive Assessment System (MontCAS) Program
	Montana's Parent Letter Template	Parents/guardians must be notified at least one week prior to the assessment date. The red highlighted areas need to be updated but the remainder of the letter stays the same.
	NAEP 2023 Preassessment Activities Guide for Schools	This document provides an overview of the upcoming preassessment tasks due before the APM.

Webinars and Educator Resources

The Technical Assistance and Training Opportunities for the 2022-2023 school year are included below. System Test Coordinators can place these on calendars and save the date ([STC Workshop Series](#) and [MontCAS Focused Webinar Series](#)).

STC Workshop Series

The purpose of the “STC Workshop Series” is to provide each Montana school district System Test Coordinator (STC) with the opportunity to learn the “how-to’s” for each of the assessment related components they are responsible for. STC participants will leave this three-day series with content to complete the four required testing plans and be provided with step-by-step instructions on how to accomplish the various STC activities. The OPI Assessment Team will share some tips and tricks to accomplish said activities and invite veteran STCs to share their experience(s) as well.

The [STC Workshop Series](#) was held over three days in October, 2022 for a total of 12 sessions to support new and veteran STCs with the planning, preparation, and test management needs for the 2022-2023 school year. Recorded versions of the workshop sessions can be viewed on the [STC Workshop Series website](#).

OPI Assessment Monthly Webinar

During the 2022-2023 school year, the OPI Assessment Team will offer a Monthly Focused Webinar for 1-hour on Wednesdays. The focused webinar is designed to support educational practitioners such as district and school-level personnel involved in local assessment and local data-driven decision-making actions and/or continuous improvement processes. These 1-hour sessions are designed for educational practitioners to learn more about balanced assessments systems and strategies for implementing high-quality local assessment/data literacy practices including creating local systems around data-driven decision-making. A total of 10 webinars will be offered from September 2022 to June 2023 as published in the [FY2023 Monthly Focused Webinar Plan](#).

Attendees are eligible for 1-hour of renewal.

- **February 15:** Five Things You Must Know About the Smarter Balanced and Montana Science Assessments This Year [\[Register\]](#)
- **March 15:** Five Things You Must Know About High School Assessment This Year [\[Register\]](#)

Technical Advisory Committee (TAC) News

The Montana Technical Advisory Committee (TAC) serves as a consulting group to the Montana Office of Public Instruction (OPI) to ensure the validity and reliability of the test scores and fairness in testing all students. Members of the TAC are highly regarded national, state, and local experts who have been widely published in their respective fields and have a good combination of various expertise to contribute to the OPI. TAC biographies are published on the [OPI's Statewide Testing Page](#).

What are the requirements for accountability this year ESEA-ESSA Section 1111(c)?

- Montana restarted its federal accountability systems in the 2021-2022 school year.
- All accountability and school identification requirements are in effect.
- Data from this year's state assessments will be used within the OPI's accountability process for annual meaningful differentiation of schools.
- **Participant** = must have **(1)** a valid score and be **(2)** assigned a proficiency level (see 34 CFR 200.2(a)(b)(1)(i)). All students, including students with disabilities are required by state and federal law to take part in the OPI's state assessments with or without accommodations. All students are expected to take part in state assessments in one of three ways:
 - Participate in the general education assessments without accommodations.
 - Participate in the general education assessments with accommodations.
 - Participate in [Alternate Assessments](#) when the participation criteria are met.
- To see a list of schools who were previously identified for targeted and comprehensive status, visit the [OPI's ESSA Information and Documents Page](#). The federal accountability process for school identification using the 2021-2022 state assessment data is planned to commence this Fall.

What are the requirements for reporting this year ESEA-ESSA Section 1111(h)?

- Any instances where it was unsafe for a student to participate in the state assessment due to COVID reasons or for medical reasons must be reported to the OPI using the "Medical Exemption" policy as defined within the [MontCAS Policies and Procedures for Participation in State Assessments](#).

What does participation and non-participation mean for state assessments?

Participation is necessary to ensure the data are representative and reflective of the population. When participation rates fall below the state and federal requirements, bias can be introduced into the student knowledge, skill, and ability estimates, thus reducing the overall confidence we have in the data and ultimately interfering with the inferences that can be made about student achievement.

- In Montana, there is no "opt out" law, and both state law and accreditation rules require all students in public and accredited non-public schools to participate in state testing.
- The OPI recognizes there are circumstances beyond the control of the school that may result in non-participation. In those rare cases, the district must report the reason for non-participation to the OPI using the [MontCAS Application](#).
- The figure on participation below is used to show how the calculation is made for participation rates for a school which is displayed on the [Montana ESSA Report Card](#) and within the accountability differentiation process.
 - Per the OPI's policies and federal reporting, only students with "medical exemptions" can be removed from the denominator, meaning all other instances of non-participation (or absence) impact the school's participation rate.
 - The state factors the requirement for 95 percent student participation in mathematics and reading/language arts assessments into the statewide accountability system. Students who meet participation requirements and who do not test are assigned a score of "Novice" and designated as a non-participant for accountability purposes (see [ESSA State Plan](#), [MontCAS Policies and Procedures for Participation in State Assessments](#), and [Six Things Stakeholders Should Know about Participation and Testing in Montana](#)).

Eligible Student Population = All students enrolled during the testing window whether or not they were present for the full academic year except students who did not participate in the assessments due to significant medical emergencies (34 CFR 200.2(a)(b)(1)(i)).

Non-Participant = Did not participate. This is a student who was expected to test but did not for whatever reason and their non-participation status will count negatively against the school's participation rate (e.g., parent refusal).

OPI's Recommended Roles and Responsibilities

Authorized Representative Role:	<p>The individual designated to comply and/or enforce activities in connection with federal legal requirements (see 34 CFR §99.3). Authorized Representatives appoint STCs as the single point of contact for all assessment-related matters and testing alerts within the school system.</p> <ul style="list-style-type: none"> Authorized Representatives must complete the electronic assurance for data privacy and STC designation within the TEAMS Application each year. Check the TEAMS page for data collection deadlines and guidance.
System Test Coordinator Role:	<p>This role serves as the data steward for managing local users within the restricted web-based TDS portals used to deliver each test. This role also serves as the local liaison for all standardized testing procedures (i.e., proctoring, safeguarding, securing, and reporting state test information) and ensuring staff are trained and certified to administer state assessments.</p> <ul style="list-style-type: none"> STCs must sign the electronic test security agreement and the testing plan assurances in the MontCAS Application by the dates specified in the "MontCAS Test Security Collection Schedule 2021-22".
Building Coordinator Role:	<p>Assigned by the AR and/or STC and is typically a licensed non-instructional person such as principals, vice principals, counselors, or other staff members. This person coordinates state assessments in the school building.</p> <ul style="list-style-type: none"> All staff with TIDE Testing Portal accounts will be required to sign an electronic TSA. All staff with WIDA accounts, ACT accounts, and MSAA accounts will also be required to sign an electronic TSA or non-disclosure agreement (NDA) to gain access to the online test administration and reporting sites.
Test Administrator Role:	<p>This person is assigned by the STC and/or BC and is a licensed educator such as a classroom teacher. The OPI further recommends that the Test Administrator is familiar to the students, so students feel more comfortable in the testing environment. TAs follow and administer the tests in accordance with the assessment-specific Test Administration Manuals.</p> <ul style="list-style-type: none"> All staff with TIDE Testing Portal accounts will be required to sign an electronic TSA. All staff with WIDA accounts, ACT accounts, and MSAA accounts will also be required to sign an electronic TSA or non-disclosure agreement (NDA) to gain access to the online test administration and reporting sites.
Technology Coordinator Role:	<p>This person ensures the secure browser is installed properly to administer the online assessments via the test delivery systems and that all system requirement setup and requirements have been completed before testing. More information about these roles can be found in the MontCAS Test Security Manual.</p>
Staff in Supporting Roles	<p>All staff within the district who may assist with state assessments (e.g., storing ACT materials, sending score reports home, and scribes) will sign the MontCAS Test Security Agreement for Supporting Roles. The TSA should be electronically signed prior to the opening of the state assessment test windows.</p>

More information about local roles and responsibilities can be found on the [OPI's Test Security Page](#) under the "Resources" column for "Roles and Responsibilities Letters". The STC is responsible for maintaining records of TSAs at each level for a period of up to three years as the OPI may request copies of them within that time period.

OPI Assessment Unit Mission Statement

1. **Mentor** schools through the local roles and responsibilities related to administering state assessments in compliance with federal and state law.
2. **Foster** critical partnerships with stakeholders to build strong local assessment and data practices.
3. **Measure** student participation, proficiency, and progress on state content standards over time and help monitor and address educational needs for all learners.
4. **Provide** meaningful, timely, accurate, understandable, and transparent information to the public and families on achievement indicators and to support education information processes at the local and state level.
5. **Help** the public understand performance on achievement indicators and inequities across schools, so all students have equitable opportunities to access high-quality education.

6. **Advance** teaching and learning through the implementation of balanced systems and continuous improvement processes.
7. **Offer** high-quality technical assistance and professional learning to support test administration and implementation of equitable balanced assessment systems.
8. **Pursue** excellence using the highest professional and technical standards for evidence-based practices and data-driven decision-making.

Accommodation statement for publications

The OPI is committed to providing reasonable accommodations to people with disabilities. If you need a reasonable accommodation, require an alternate format, or have questions concerning accessibility, contact the OPI ADA Coordinator, 406-444-3161, opiada@mt.gov, or call 711 for assistance.

Nondiscrimination statement

The Office of Public Instruction does not discriminate based on race, color, national origin, sex, disability, marital status, religion, creed, pregnancy, childbirth, sexual orientation, gender identity or expression, political beliefs, genetic information, military service or veteran's status, culture, social origin or condition, ancestry, or age in its programs and activities. The following person has been designated to handle inquiries regarding nondiscrimination policies:

Human Resource Manager
406-444-2673
OPIpersonnel@mt.gov

For further information on notice of nondiscrimination, call 1-800-421-3481 or visit <http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm> for the address and phone number of the Office of Civil Rights (OCR) that serves your area.
