The screenshot shows the ACT PANext login page. At the top left, there are links for 'Home' and 'Support' next to the ACT logo. On the right side, there is a 'Sign In' button and links for 'Forgot Username' and 'Forgot Password'. The main content area features a login form with a yellow highlight bar above it. The form has two input fields: 'Username' (with placeholder text 'Your Username') and 'Password'. Below the fields is a blue 'Login' button. At the bottom of the form, there are links for 'Forgot Username', 'Forgot Password', and 'Support', along with the text 'Username is not case sensitive' and 'Password is case sensitive'. A red arrow points to the 'Sign In' button in a callout box on the right, which also includes the 'Forgot Username' and 'Forgot Password' links. Below this callout is another callout box for 'Contact Us' with customer support information for ACT and WorkKeys.
