Task 10 – Support Assessment Activities

- Since the NAEP Field Team will bring all necessary materials and equipment, it is best for the team to have one location with tables or flat desks to use throughout the assessment day preferably on the first floor or by an elevator.
- We would appreciate the presence of a school staff member as an observer in each testing session.
- If student participation falls below 90 percent, the NAEP Assessment Team will offer a makeup session for a later date.
