

# Strengthening Secondary Literacy

## Professional Learning with Gear Up

Learn strategies for improving secondary students' reading comprehension through a focus on vocabulary and morphology instruction and explore resources for increasing reading at the secondary level. While this session focuses on skills commonly situated within ELA, this session is designed to include all secondary educators and administrators.

- Thursday, January 22, 2:30-3:30 pm
- Join via this [Zoom link](#)
- Optional pre-reading: [Literacy Lens: Effective Literacy Practices for Secondary Students](#)
- Email [claire.mikeson@mt.gov](mailto:claire.mikeson@mt.gov) for more information
