

Chapter 55 Negotiated Rule Making Committee Meeting Summary

Tuesday, May 3, 2022

8:00 AM – 2:00 PM

Negotiated Rule Making Committee (NRM) hears results and data collected from the School Quality Task Force (TF) School Quality Survey. NRM discussion of the results include attendance rates and student engagement, creativity of instruction, licensure, students having access to fulfill needs, flexibility and accountability, accreditation (what it is, what it means, funding), easier reporting, and keeping standards high.

NRM hears areas of TF consideration which include staffing ratios for library media specialists, local control, graduation requirements, middle grades, staffing ratios for school counselors, and charter school variance to standards.

NRM gives areas for the TF to also consider.

Public comment is given and meeting is adjourned.
