

## **Chapter 55 School Quality Task Force Meeting Summary**

### **Thursday, May 5, 2022**

### **9:00 AM – 4:00 PM**

Facilitators review meeting outcomes and review work completed prior. Facilitators also review areas of focus for the meeting including Library Media Specialist ratio, graduation requirements, basic education requirements, school counselor ratios, and charter school variance to standards.

TF hear presentation from Dr. Carly Urban regarding the topic of requiring financial literacy in graduation requirements. TF debrief the presentation and discuss potentially renaming to fit in economics, the risk of an unfunded mandate, if it is already required, why finance has cycled out of curriculum in the past, and why the Superintendent requested the TF hear about financial literacy.

After discussion and hearing public comment, the TF vote and pass a motion to send recommendations from 10.55.709 Library Media Specialist Staffing Ratios to the superintendent for consideration.

After discussion, the TF vote and pass a motion to send recommendations from 10.55.902 to the superintendent for consideration.

After discussion, the TF vote and pass a motion to send recommendations from 10.55.904 to the superintendent for consideration.

After discussion, the TF vote and pass a motion to send recommendations for the new standard, Charter Schools, to the superintendent for consideration.

After discussion, the TF vote and pass a motion to send recommendations for School Counselor Staffing Ratio to the superintendent for consideration.

TF discuss potential recommendations around accreditation and mentorship and induction.

Public comment is given, and meeting is adjourned.
