

Chapter 57 Research and Review Task Force Meeting

Thursday, August 19, 2021

1:30 PM – 3:00 PM

The Task Force (TF) reviewed the upcoming schedule and discussed the process and clarified the timeline.

The TF discussed the articles that were shared with them as homework. Members of the TF pointed out specific examples in other states they felt were key components of the documents.

TF began discussing the current MT licensure pathway. Angela McLean shared a [document she drafted](#) that lays out a potential mentorship program. The TF discussed the document, then took a vote to see if the TF felt some form of mentorship or support language should be included in ARM. The vote passed with consensus.

The TF reviewed ARM subchapter homework and the NCTQ subtopics. The group will complete the subchapter survey as homework starting with subchapters 1-3.
