Chapter 58 Research and Review Task Force Meeting Summary

Thursday, September 23, 2021
8:00 AM – 9:30 AM

Facilitators reviewed the last Task Force (TF) and Feedback Group (FBG) meetings with the TF. Some questions and clarification were given regarding concerns brought forward during the FBG meeting. Facilitators quickly reviewed the timeline going forward and committed to getting more information for the TF.

TF reviewed suggested changes to subchapter 311-315 to align ARM with CAEP. The group reviewed each section, gave comment if necessary, allowed time for public comment, then took a vote to recommend the changes to the Superintendent of OPI. All suggestions were unanimously voted to be recommended to the Superintendent.

TF reviewed additional change to 10.58.501 (g) and unanimously voted the change be recommended to the Superintendent.

Documents were shared from Stevie Schmitz which summarized the Professional Standards for Educational Leaders and additional suggested changes to align ARM with CAEP and PEPPS.

The TF is to continue to review the suggested changed in the ARM tracker for next weeks meeting.
