

# Montana Teacher Residency Program

## Educator Preparation Programs

### Benefits:

#### EXTENDED APPLICATION OF EFFECTIVENESS

- Residents apply what they learned in their degree program over a longer period
- Ability to refine teacher preparation methods based on long-term experience

#### STRENGTHEN RELATIONSHIPS WITH DISTRICTS

- Cultivate meaningful partnerships and apply for joint grant proposals
- Work collaboratively to align teacher preparation programs to match the needs of the districts
- Build trust and connectivity with K-12 admin
- Provide support with Residents capable of becoming valuable staff members

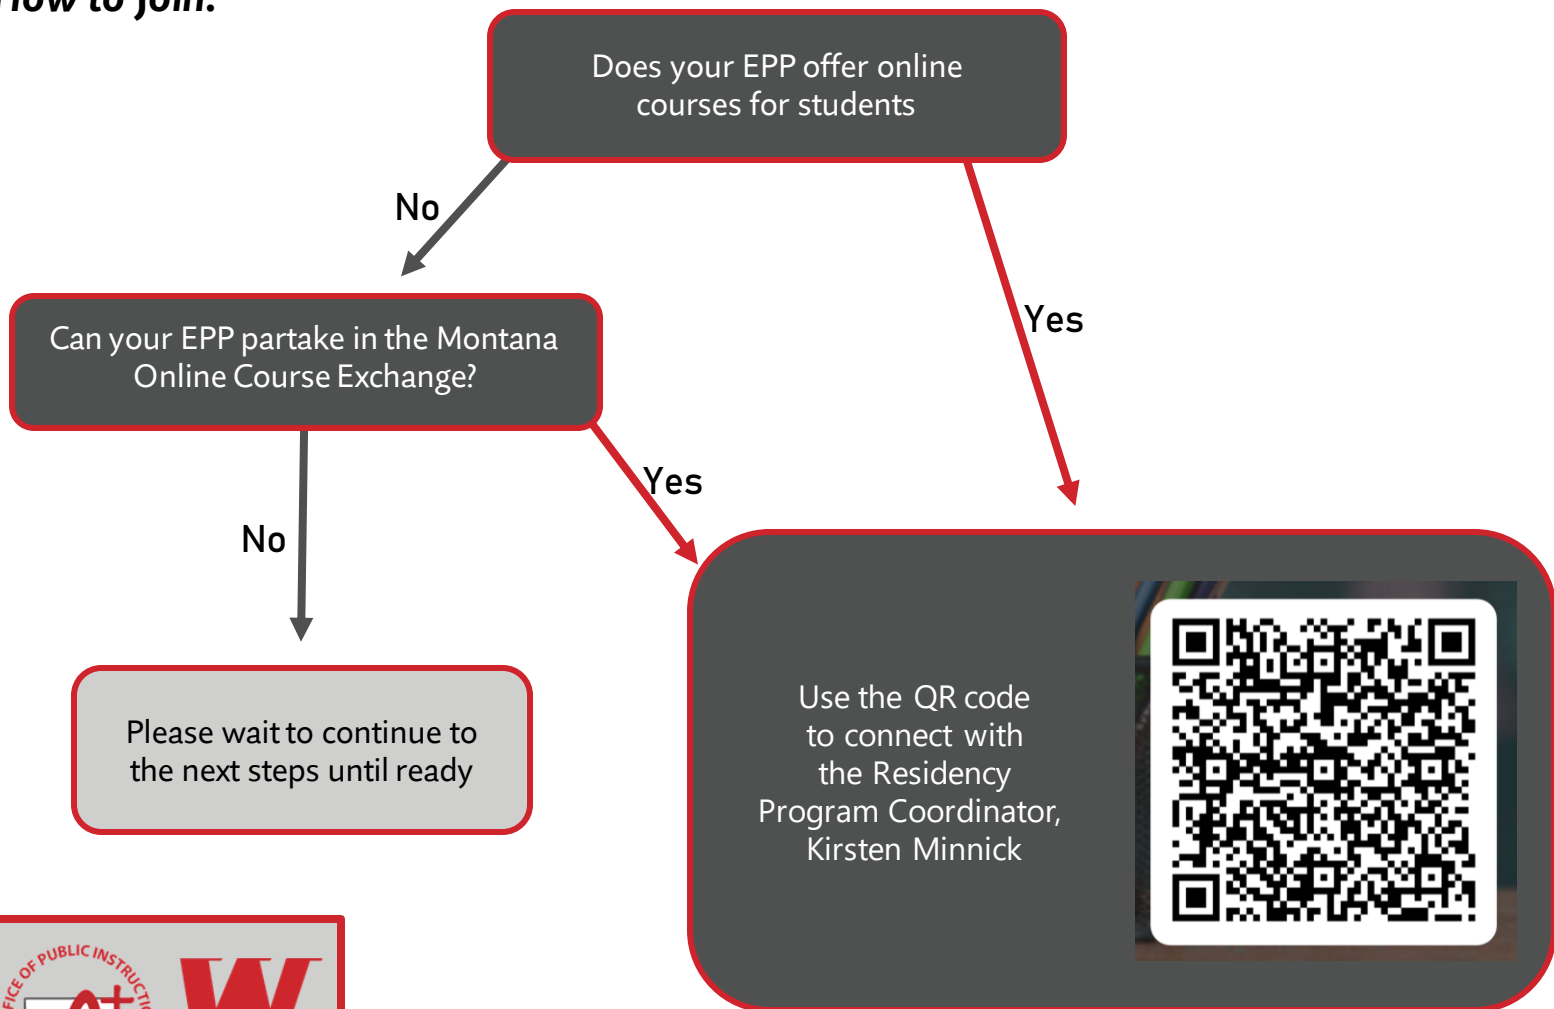

#### ENHANCED TEACHING PROGRAM

- Become one of the few EPPs with paid student teaching
- Increase education degree opportunities for students
- Emphasizes the importance and value of educators
